## **Town of Gorham Roadway Improvements – Finn Parker Road, Osborne Road, Plummer Road, Day Road, Queen Street and North Gorham Road**

Dear Abutting Property Owner:

The Town of Gorham has completed the designs for roadway improvements on Finn Parker Road, Osborne Road, Plummer Road, Day Road, Queen Street and North Gorham Road. These designs include road rebuilding, rehabilitation, ditching, culvert replacement tree clearing and paving within the Town right of way. These projects are to be funded as part of the \$3 million dollar road bond approved by the citizens of Gorham in the fall of 2007.

These projects are currently out to bid for contractors and contract awards may occur as early as June 3<sup>rd</sup>, 2008. Depending on the cost of this roadwork construction some or all of the previously mentioned roads could be under construction starting in June and lasting into the fall.

If you are interested in learning more about these projects or have questions, please contact the Department of Public Works at 892-9062 or email me at [rburns@gorham.me.us](mailto:rburns@gorham.me.us).

Sincerely,

Bob Burns, PE  
Public Works Director
