

REPORT OF THE
GORHAM TOWN COUNCIL
REGULAR MEETING
May 7, 2019

Chairman Hartwell opened the meeting with the Pledge of Allegiance to the Flag. There were 20 members of the public in attendance at the start of the meeting.

Roll Call: Chairman Hartwell, Councilors Phillips, Shepard, Hager, Smith, Pratt and Wilder Cross. Also in attendance were Town Manager Ephrem Paraschak and Deputy Town Clerk Paula Nystrom.

Moved by Councilor Shepard, seconded by Councilor Pratt and VOTED to accept the minutes of the April 2, 2019 regular Town Council meeting. **7 yeas**

Open Public Communications

Phillip Gagnon, Gordon Farms Road voiced his concern about an application before the Planning Board for Plowman Grady Farms subdivision at the Planning Board meeting May 6, 2019.

Ingrid Semle, Gorham Residents for Responsible Growth spoke again this month regarding the Sober Living House at 24 School Street. She is concerned having learned there will be 15 occupants and only 1 supervisor on duty at a time beginning June 1, 2019. She presented an Alcohol & Drug-Free Housing License Document checklist used by other towns when they have such a facility in their town. She is frustrated that surrounding businesses did not receive notice of the facility and they are learning about it after the fact.

Krista O'Sullivan, Village Woods Circle is a Pharmacy Technician and sees drug abuse all the time. The turnover in this sober house is 3-6 months, which she believes is not enough time needed for recovery. She also believes many of these people will be back out on the streets where drugs are readily available again.

Paula Green, Pheasant Knoll spoke about the social impacts the Sober Living House will have on surrounding businesses, which include two daycares and a dance studio within walking distance. She expressed safety concerns for the young children and concerns about how this facility could hurt area businesses.

Councilor Communications

Councilor Pratt appreciated how Representative Andrew McLean responded to his email he sent to all our representatives asking for help with some research.

Councilor Wilder Cross attended the monthly meeting for the Greater Portland Metro Coalition where the discussion continued regarding affordable housing for the Portland area. Gorham was approved to

be the second Opioid Prevention Community following Falmouth. She also attended the New England Steel Band Festival this past weekend, which she really enjoyed.

Town Manager Report

Town Manager Paraschak reminded citizens of the Joint Town Council and School Committee Workshop Tuesday, May 14, 2019 at 6:30 pm to discuss the proposed School budget. On Thursday, May 23, 2019 there is a Legal Workshop on issues concerning the Council, which is open to the public. However, the Town Council will not be commenting on any public's concerns at this meeting. A Preventing Opioid Misuse meeting will be held beginning at 6 pm on Tuesday, May 28 at the Gorham High School library.

School Committee Report

Darryl Wright, Chairman thanked the Town Council for the joint workshop held last week regarding the growing space needs at our elementary schools. Looking forward to the joint Town Council and School Committee Budget Workshop May 14th at 6:30 pm. Google Doc is again available this year for councilors to submit questions. The School Committee recently reviewed our transportation policy and made a few small adjustments to aid with clarity of language for parents noting that policy practices will not change for next year. Chairman Wright went on to report that our schools continue to move forward in implementing ALICE training. ALICE stands for Alert, Lockdown, Inform, Counter and Evacuate. Huge thank you to the Gorham Police Department to provide training to all staff across five schools. We will next focus training on parents and students in early fall and more staff training over the next school year. We hope to be "fully operational" in ALICE informed practices by the mid-point next school year. This week May 6-10, 2019 is Teacher Appreciate Week. Wednesday, May 8, 2019 is School Nurse Appreciation Day. We thank all of them for their support and guidance for all our students. We are seven weeks from the close of school and residents can keep up to date with all the activities by checking the calendar on the school districts website. Chairman Wright commented that education has seen adjustments to our evaluation system for teachers and principals, legislation impacting how we can or cannot collect overdue balances from students in our school lunch programs, addition of financial literacy instruction into our curriculum, mandated trainings on sexual assault for all staff, reduction of probationary period for teachers from 3 years to 2 years and changes to our immunization policies for children. There are three bills Chairman Wright would like the Town Councilors to write to our local delegation to ask that they DO NOT SUPPORT LD 117 which would create binding arbitration, LD 1041 which would give teachers the right to strike, and LD 240 which would allow teachers to negotiate educational policy. Each one on its own would have significant implications to local costs for education which would mean potential for increased taxes. The next regular School Committee meeting is scheduled for May 8, 2019 her in Council Chambers, 7 pm.

Chairman Hartwell opened Public Hearing #1 on Order #9439

Phillip Gagnon, Gordon Farms Road voiced his concern for the lack of planning by the Town for the proposed modulars at Narragansett School. He feels there has been no preparation, notice or planning for them and now the School Department is rushing to get a referendum for \$2,800,000 to push this through.

Janet Kuech, Narragansett Street is an Education Tech at Narragansett School commented on prior speaker Mr. Gagnon's comments. She said there has been a long term plan for the modulars and this has been discussed at length at many meetings. It is in the Town's best interest to move forward with the modulars at Narragansett School to relieve the overcrowding as these students make the transition to the Middle School and then on to the proposed High School renovations.

Item #9439 Moved by Councilor Shepard seconded by Councilor Hager and ORDERED, that the Town Council approve a referendum to authorize the Town to borrow and expend up to \$2,800,000 on modular classrooms, cafeteria space and other related work at Narragansett Elementary School. **7 yeas**
