FREQUENTLY ASKED QUESTIONS

When are my taxes due?

Taxes are due November 15th and May 15th

How can I view my property tax bills?

You can access this information by going to the Town's website www.gorham-me.org. From the homepage go to "Town Departments" and then click on "assessing Department". Scroll down to "Copies of Real Estate Tax Bills".

How can I view my property assessment information?

You can access this information by going to the Town's website www.gorham-me.org. From the homepage go to "Town Departments" and then click on "Assessing Department". Scroll down to "Current Property Tax Data (Vision)". Click on the link to view information on property, including assessed value and photo of building(s).

Do I have to apply for the Homestead Exemption every year?

No. Once approved, your homestead Exemption is in place and will carry over from year to year.

Where can I get a burn permit?

Weather permitting, residents are able to obtain burning permits during the hours of 8:30am to 4:30pm, Monday through Friday and on Saturday and Sunday from 8:30am to 12:00pm at NO CHARGE. The website to visit is: <http://www.burningpermit.com>

At other times you are able to obtain burning permits from <http://www.maineburnpermit.com> at a fee of \$7.00, 24 hours a day, 7 days a week.

What do I need to get my car registered?

For **FIRST** time registrations, the person or persons to whom the vehicle is being registered must come in and do the registration. Anyone can re-register a vehicle.

Proof of Insurance cards from your Insurance Company can be faxed to 839-5036.

If purchased from a Maine dealer:

- Blue Copy of Title Application
- Green Sales Tax Form
- Proof of Insurance
- Old Registration (if old plates are being used)
- Monroney Sticker (Window sticker – for brand new vehicles)

If purchased in a private sale:

- Bill of sale
- Previous owner(s) original title assigned to you on the back or the blue copy of your title application from a lending institution
- Lien Release (if needed)
- Proof of Insurance
- Sales Tax must be paid to Town Office

If previously registered out of State:

Out of State Title or lien holder's address or lease agreement

Out of State Registration

Proof of Insurance with Maine liability

Paperwork for Vehicle Re-registration

Old Registration

Proof of Insurance

Current Mileage

Do you accept credit cards?

Currently only the Fire Department and the Recreation Department accept credit cards. The Fire Department also charges a \$5 technology fee to process credit card payments over the phone. All other departments accept cash, checks and debit cards.

What do I need to obtain a passport?

You will need to complete a passport application, which is available in the Town Clerk's Office, or you may download one from the Clerk's Department webpage. Once the application form is completely filled out (but not signed yet), please bring it in with a **CERTIFIED** copy of your birth certificate (a certified copy has the raised seal). You will need identification; this can be a valid driver's license. You will also need two identical 2x2 full-face photos; these can be taken at several places around this area including CVS on Main Street in Westbrook, Wal-Mart in Scarborough, Photo Barn in North Windham and AAA in Portland.

You will also need two forms of payment: 1): A check or money order, payable to The U.S. Department of State. 2): A payment to the Town of Gorham for \$30.00 which can be a check, cash or debit card. The payment for the U.S. Department of State is as follows: Adult \$67.00, child (15 and under) \$52.00. **If you need your passport in a hurry, you can have it expedited for an extra charge of \$60.00. This will insure that it is received within two weeks.**

For children under 14 years of age: The application requires signatures of both parents who need to show a parental relationship. This can be a birth certificate and other identification. If a parent has sole custody, they need to show either a written consent from the absent parent or legal evidence of sole custody.

What types of services are available online?

www.gorham-me.org

Many services that are available at the Municipal Center are also available online and some are listed below. Depending on your need, there are also many forms and applications on the website from the various Department pages.

Vehicle Re-registrations: There is a link to "Rapid Renewal" on the Town's homepage.

Online Dog Registrations: There is a link provided on the Town's homepage.

Hunting/Fishing Licenses: There is a link provided in the "Hunting and Fishing" section on the Town Clerk's Department page or you can visit www.informe.org/moses.

When will my trash be picked up? What if there is a holiday?

There are several different trash pick up days, depending on where you live. You can look up your area by logging onto the Town website and going to the "Trash and Recycling Information" link from the Public Works Department page. You will also find alternate schedule information as well as other useful information on recycling.

Who do I contact if I come across a stray dog or cat?

You can reach the Animal Control Officer by calling Dispatch at 839-5581.

REPORT OF THE TOWN MANAGER 2006-07

I am very pleased to present to the Town Council and citizens of Gorham the Annual Report for the fiscal year beginning July 1, 2006 through June 30, 2007.

During the fiscal year, the Town was able to make considerable progress on many issues that are important to the Community.

The first phase of the long awaited Gorham By-Pass construction project was bid out in June 2007 and construction on this project should start in July or August. Phase I is scheduled to be completed in the summer of 2009 and will construct the southern route from Brandy Brook Hill and connect into South Street between Waterhouse Road and Straw Road. The primary purpose of this project is to reduce traffic congestion in Gorham Village. It will also enhance safety by reducing the number of large trucks making turning movements at the main intersection of Routes 25 and 114. While the Town is confident that this project will reduce traffic in the Village and provide many traffic improvements, it will not provide easy commuter access for people who work in Scarborough, South Portland, Portland, or Westbrook.

In my 2005-06 Annual Report, I indicated that the Town Council was already looking to the future and had asked the Maine Turnpike Authority to consider building a roadway from the Maine Turnpike to connect onto the southern end of the soon to be built By-Pass. On this effort the Town is able to report several positive developments. On March 29, 2007, the Maine Turnpike Authority came to Gorham and held a well attended workshop to discuss the need for and community interest in this road. Municipal officials from Portland, South Portland, Scarborough, Westbrook, Windham, Standish and Buxton, along with all members of the Gorham Town Council, attended and participated. Subsequently, the elected officials in the Cities of South Portland and Westbrook and Town's of Scarborough and Gorham all approved a joint resolution asking the Maine Turnpike Authority to proceed with the studies necessary to move this road project forward.

There were other important road projects that proceeded during the past year. The State continued working on a major project on Route 114 (from Gorham Village to Standish Village) that is re-building the road, will improve site distances and make other safety improvements. That project is expected to be completed in the Fall of 2007.

A project intended to re-build part of Libby Avenue between Route 25 and New Portland Road and rebuild Brackett Road was scheduled to begin in the Spring of 2007. State funding issues initially delayed the start of this project. Fortunately, voters approved a state referendum in June that provided additional funds. That project is now expected to start in the Fall of 2007 and finish in the Fall of 2008 or Spring of 2009.

Other important road projects that were successfully completed this year include a safety project at Mosher's Corner, which re-designed the intersection, construction of additional sidewalks on South Street (from Ridgeway Avenue to Weeks Road) that was partially finished with grant funds from the State, and the installation of a long-time requested sidewalk and storm water system replacement on Morrill Avenue.

Another major construction project important to the Town will close a very small and expensive sewerage treatment plant located at Little Falls. This small facility collects sewer from Little Falls and South Windham. It has been near its operating capacity for several years and because of its small size, is relatively expensive to operate. All of the sewer that previously flowed into this small facility will flow into the Portland Water District's Sewer Treatment Plant located in Westbrook. The Town of Gorham owns sufficient treatment capacity at the Westbrook plant and can treat the sewer more cost effectively at this facility. While the users of the sewer system will initially pay a slightly higher sewer bill to pay for this debt, over time this project will save a considerable amount of money. At the time of construction, the Town took advantage of this project and replaced the storm drainage system and improved the sidewalks in Little Falls Village. This project will also provide more opportunities for targeted development along Mosher Road because sewer is usually a prerequisite for good quality industrial and commercial development.

Perhaps the most noted achievement of this past year was the completed renovation of the former Charles C. Shaw School, into the new Gorham Municipal Center. During the end of November and first weekend in December, the municipal staff packed 34 years of accumulated municipal records and files from the former Municipal Center and moved into this newly renovated Municipal Center, and opened for business on Tuesday, December 5. The move went very well and the first Council Meeting was held that evening in the new Council Chambers.

The renovation preserves an old school building and offers many advantages to the Community and should serve our citizens well for many years to come.

The Town of Gorham continued to grow during last fiscal year. However, residential growth in Gorham slowed considerably, with the fewest number of single family home permits issued in the last 10 years. This local trend is consistent with the national housing market, which has also slowed considerably. However, commercial growth continued to do well, with the Town welcoming Nappi Distributors to the community. Nappi is the largest beverage distributor in Southern Maine.

The Town also approved a 55 acre, 9 lot industrial subdivision, called Olde Canal Business Park, on Mosher Road, which should provide opportunities for new industrial and commercial growth in the future.

In October, Shaw Brothers reported on their plan to develop a rock quarry and asphalt paving plant in Gorham. They have since moved forward with these plans and are proceeding through the Site Plan approval process in front of the Planning Board.

During the year, the Town accepted 5 new roads as public roads. The newly accepted roads are: Brookdale Drive, Hayfield Drive, Jordan Drive, Ichabod Lane, and Horseman Drive, with a combined total of about 1.13 miles of new roads.

Several years ago, a developer constructed an airport runway over Rust Road. Subsequently, The Town Council determined that Rust Road was a discontinued road and a public easement existed on the old road. The Town Council further determined that the airport runway constituted an obstruction to the public easement and ordered it removed. The developer filed a lawsuit that

culminated in a 3 ½ day trial in June of 2005. This past year, and after many months of waiting, Judge Thomas Delahanty issued a ruling in favor of the Town on all substantive issues.

In February, Richard Pattenaude, who has been President of the University of Southern Maine for the past 16 years, was named the new Chancellor of the University of Maine System. Mr. Pattenaude will begin his new position on July 1, 2007. During Mr. Pattenaude's tenure at U.S.M., the University has added several new dormitories, an ice arena, field house and added classroom space. Additionally, the Town has enjoyed a very cooperative and constructive relationship with the University. Although the Town will miss him, I'm sure I speak for the Gorham Community in extending our congratulations and well wishes as he begins his new job.

Several other important things that occurred this year include:

- Adopting a more convenient single stream recycling program that allows all curbside recycled materials to be mixed together instead of placed in separate containers. The program also now accepts all plastic products for recycling instead of only plastic products with a PET rating of 1 or 2.
- Approved a 3 year contract to continue curbside collection of household waste and recycling materials.
- Approved a Transfer Development Overlay Zoning District to allow well planned, higher density residential growth, and
- Established a Committee to study the Fire and Rescue Department to help plan for sustainable growth in emergency services that the community can afford.

Gorham finally entered the record books this year. In August, our Recreation Department managed to collect 1,464 hardy souls, including myself, to wear Groucho Marx glasses at the same time and same location, setting a new Guinness Book of World Records for this extraordinary event. Congratulations go to Cindy Hazelton, our Recreation Director and her entire staff and many volunteers for successfully organizing this event.

Every year, there are many people who volunteer to serve the Gorham Community. Some are parents with busy schedules who still find the time to coach a team in one of our Recreation Programs. Some are retired members of the community and have skills that can help other folks. Others serve on various Boards or Committees. In closing I would like to take this opportunity to thank all of the folks who volunteer to serve on the many boards and committees, as coaches, or serve our community in many other ways. Your contribution of time and energy greatly enrich our community and is one of the things that make Gorham a very special place.

I would also like to express my appreciation to all of the Town's employees for their continued commitment and dedication throughout the year.

Respectfully Submitted,

David Cole
Gorham Town Manager

ASSESSING DEPARTMENT

The Assessing Department assigns and updates tax values on existing and new taxable real and personal property and finalizes the tax rolls for commitment purposes. We establish and provide information including property tax value and map/lot numbers and addresses and create updated tax maps each year. We also administer tax exempt and tax reduction programs and answer a variety of questions as needed.

Gorham Access Television
GOCAT Channel 2 (Community Access)
GGETV Channel 3 (Government/Education)

Mission Statement:

To be a communication resource for use by the community and it's citizens.

Gorham Access Television maintains 2 electronic bulletin boards that provide community and municipal information to the citizens. Channel 2 / Community Access provides training and equipment to residents wishing to create their own media presentations. We also partner with the Town of Gorham, Gorham School Department, Gorham Business & Civic Exchange, University of Southern Maine, non-profits, and civic organizations to produce local programming. Our productions feature guest lecturers, special events, local talk, school arts and sports, and informational shows. Gorham Access holds a stewardship of community video archives and provides tape and media duplication services. Channel 3/ Government /Education records and re-broadcasts municipal and school meetings as well as information provided by county and state departments.

Staff:

- 1 full time -Access Television Manager/ Production & Technical Director
- 1 part time (20 hours/week) -Media Specialist
- Auxiliary/On call -Videographers

Average Bulletin Board hours per day: 14

PLANNING DEPARTMENT

The Planning Department provides planning assistance and technical support to the Planning Board, the Site Plan Review Committee, the Town Council and the general public. The staff coordinates the review of all proposed land use development applications requiring approval by the Planning Board or Site Plan Review Committee. The Department also oversees special planning projects, the development and adoption of new ordinance and amendments to the Land Use and Development Code and the Official Zoning Map of the Town.

During this past fiscal year, the Planning Department handled a total of ninety-two subdivision, site plan, private way and street acceptance applications, along with five major amendments to the zoning ordinances and zoning map.

Total Number of Development Applications

Beginning of FY2007	No. of Applications Pending	42
July 1, 2006 – June 30, 2007	No. of New Applications Submitted	50
July 1, 2006 – June 30, 2007	No. of Applications Approved	43
July 1, 2006 – June 30, 2007	No. of Applications Withdrawn	0
Beginning of FY2008	No. of Applications carried forward	49

- **Breakdown of New Applications & Amendments Approved by Type**

Subdivisions	13	Private Ways	7
Major Site Plans	8	Street Acceptances	8
Minor Site Plans	11	Gravel Pits	0

- **New Lots & Units Approved in FY2007**

Number of New Subdivisions Created	5
Number of New Residential Lots/Units	85
a. subdivision lots	62
b. condo units	12
c. private way lots	11

Number of New Private Ways Approved	8
Number of Street Acceptances	8

- **Zoning Ordinance & Map Amendments**

Map Amendment: RC to I – Town of Gorham, Merriman Property

Map Amendment: I to RC – Grondin Properties, LLC.

Ordinance Amendment: to the Performance Standards for Rural Entrepreneurial Uses

Ordinance Amendment: creating a Transfer Development Overlay District

Ordinance Amendment: specifications for super-pave and core samples

GORHAM POLICE DEPARTMENT

The Gorham Police Department, which consists of 22 sworn officers and 2 civilian employees, provides the following services: Routine police patrol enforcing state laws and local ordinances, investigates all crimes that occur within or impact the community, investigates all motor vehicle accidents, prepares and presents to the District Attorney all cases that warrant prosecution, conducts background investigations prior to the issuance of concealed weapons permits or Town required permits, instructs various classes to students in grades K-12 as well as teaching the DARE curriculum to the Village School, works collectively with other Municipal departments or civic organizations to help address their concerns, assists other local, state, or federal law enforcement agencies as needed, provide various reports to requesting parties and enforce animal control laws and ordinances.

Value of Stolen Property: \$255,604.00 **Value of Recovered Property:** \$54,573.00

PUBLIC WORKS DEPARTMENT

The Town of Gorham's Public Works Department is primarily responsible for the maintenance of over 139 miles of Town roads and 12.5 miles of State roads. This road maintenance work includes, but is not limited to, the maintenance of pavement (summer and winter), markings and striping, signage, bridges, culverts, ditches, traffic lights, trees, picking up dead animals and trash in the roadway, mowing of grass within the roadway, cleaning of catch basins, and street sweeping. In addition to roadway maintenance, Public Works also conducts capital road improvement projects, building, cemetery and facility maintenance, cemetery burials, mowing and trimming of Town grounds, and oversees the curbside collection "Pay-Per-Bag" and recycling program. Public Works, through the Town Engineer and the Inspection/Compliance Officer, assists with development plan review and construction and coordinates the Town's GIS Program. Public Works also assists every other Town Department and the School System in a variety of capabilities when needed.

**PUBLIC WORKS DEPARTMENT
TRANSFER STATION
SOLID WASTE AND RECYCLING**

The Public Works Department maintains the two existing closed landfills, including the administration of the required water testing program.

The transfer station is open for grass clipping drop-off during normal business hours and is open by appointment noon to 1 p.m. Monday through Thursday for the disposal of motor oil. The transfer station is also open during two Saturdays in the spring and two Saturdays in the fall for brush disposal.

The Pay-Per-Bag curbside program began in July 1, 2002 and includes the collection of solid waste and recyclable materials. The current 5-year average tonnage of solid waste brought to EcoMaine from the Town of Gorham is 2,221.37 tons. 175,750 15-gallon trash bags and 121,125 33-gallon trash bags were sold in FY07.

RECREATION DEPARTMENT

Gorham Recreation Department provides people of all ages opportunities for activities and experiences that support healthy living and community involvement. We offer wide a variety of youth and adult sports programs, family outdoor recreation opportunities including hiking, biking, skiing, canoeing and a host of community special events including concerts, festivals, holiday celebrations and camp activities for grades K-8 on a year round basis. In 2006, Gorham Recreation offered 91 programs. 263 volunteers contributed over 6,520 hours of their time. An estimated 9,412 people participated in our activities throughout the year.

TOWN OF GORHAM, MAINE
Balance Sheet
Governmental Funds
June 30, 2007

Reconciliation of the total fund balances - total governmental funds
to the total net assets of governmental activities:

Total fund balances - total governmental funds, Statement 3	\$	13,283,627
---	----	------------

Amounts reported for governmental activities in the statement of
net assets (Statement 1) are different because:

Capital assets used in governmental activities are not financial
resources and therefore not reported in the funds. More
specifically:

Non-depreciable capital assets	\$	3,192,753	
Depreciable capital assets, net		51,125,595	54,318,348

Long-term liabilities are not due and payable in the current period
and therefore not reported in the funds:

General obligation bonds	\$	30,073,600	
Capital leases		1,040,747	
Compensated absences		753,283	
Accrued interest payable		237,480	(32,105,110)

Deferred revenues -- more specifically, property taxes and Medicaid
reimbursements not reported on Statement 1

524,400

Net assets of governmental activities	\$	36,021,265
--	-----------	-------------------

See accompanying notes to financial statements.

Fund balances (deficit), beginning of year	6,794,609	(1,853,507)	6,439,454	2,786,261	14,166,817
Fund balances (deficit), end of year	\$ 7,679,363	(1,888,205)	4,481,420	3,011,049	13,283,627

See accompanying notes to financial statements.

TOWN OF GORHAM, MAINE
Reconciliation of the Statement of Revenues, Expenditures
and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the year ended June 30, 2007

Net change in fund balances - total governmental funds (from Statement 4)	\$ (883,190)
Amounts reported for governmental activities in the statement of activities (Statement 2) are different because:	
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capital outlays (\$5,646,140) exceeded depreciation expense (\$2,772,050) in the current period.	2,874,090
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.	(81,551)
Bond proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net assets. (Note 10)	-
Repayment of bond principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net assets. (Note 10)	2,659,650
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in long term accrued compensated absences. (Note 10)	(23,957)
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in long-term capital leases. (Note 10)	(332,329)
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in accrued bond interest payable.	31,100
Change in net assets of governmental activities (see Statement 2)	\$ 4,243,813

See accompanying notes to financial statements.
