ANNUAL SCHEDULE OF MEETINGS

Board/Commission	Schedule	Time	Location
Town Council	First Tuesday of the month. If additional meetings or workshops are necessary- 3 rd Tuesday of the month	7:00pm	Gorham Municipal Center-Council Chambers
Planning Board	Usually the first Monday of the month – Occasionally third Monday	7:00pm	Gorham Municipal Center-Council Chambers
Board of Health	Meets as needed		
Board of Appeals	Usually the third Thursday of the month	7:00pm	Gorham Municipal Center-Council Chambers
Board of Assessment Review	Meets as needed		
Fair Hearing Board	Meets as needed		
Gorham Cable Television Committee	4 times annually-dates to be determined		Gorham Municipal Center
Gorham Parks & Conservation Committee	Meets as needed		
Recycling Committee	Meets as needed		Public Works Office
Recreation Advisory Board	Meets as needed		Gorham Municipal Center
Gorham Economic Development Corporation	Usually second or third Tuesday of each month	8:00am	Gorham Municipal Center
Baxter Memorial Library Board of Trustees	Usually the second Thursday of the month	6:30pm	Baxter Memorial Library

FREQUENTLY ASKED QUESTIONS

When are my taxes due?

Taxes are normally due November 15th and May 15th. The Town Council may occasionally change these dates if they fall on a weekend.

How can I view my property tax bills?

You can access this information by going to the Town's website www.gorham-me.org. From the homepage go to "Town Departments" and then click on "assessing Department". Scroll down to "Copies of Real Estate Tax Bills".

How can I view my property assessment information?

You can access this information by going to the Town's website www.gorham-me.org. From the homepage go to "Town Departments" and then click on "Assessing Department". Scroll down to "Current Property Tax Data (Vision)". Click on the link to view information on property, including assessed value and photo of building(s).

Do I have to apply for the Homestead Exemption or Veterans Exemption every year?

No. Once approved, your homestead Exemption is in place and will carry over from year to year.

Where can I get a burn permit?

Weather permitting; residents are able to obtain burning permits during the hours of 8:30am to 4:30pm, Monday through Friday and on Saturday and Sunday from 8:30am to 12:00pm at NO CHARGE. The website to visit is: <http://www.burningpermit.com>

At other times you are able to obtain burning permits from <http://www.maineburnpermit.com> at a fee of \$7.00, 24 hours a day, 7 days a week.

What do I need to get my car registered?

For **FIRST** time registrations, the person or persons to whom the vehicle is being registered must come in and do the registration. Anyone can re-register a vehicle.

Proof of Insurance cards from your Insurance Company can be faxed to 839-5036.

If purchased from a Maine dealer:

Blue Copy of Title Application
Green Sales Tax Form
Proof of Insurance
Old Registration (if old plates are being used)
Monroney Sticker (Window sticker – for brand new vehicles)

If purchased in a private sale:

Bill of sale
Previous owner(s) original title assigned to you on the back or the blue copy of your title application from a lending institution
Lien Release (if needed)
Proof of Insurance
Sales Tax must be paid to Town Office

If previously registered out of State:

Out of State Title or lien holder's address or lease agreement

Out of State Registration

Proof of Insurance with Maine liability

Paperwork for Vehicle Re-registration

Old Registration

Proof of Insurance

Current Mileage

Do you accept credit cards?

Currently only the Fire Department and the Recreation Department accept credit cards. The Fire Department also charges a \$5 technology fee to process credit card payments over the phone. All other departments accept cash, checks and debit cards.

What do I need to obtain a passport?

You will need to complete a passport application, which is available in the Town Clerk's Office, or you may download one from the Clerk's Department webpage. Once the application form is completely filled out (but not signed yet), please bring it in with a **CERTIFIED** copy of your birth certificate (a certified copy has the raised seal). You will need identification; this can be a valid driver's license. You will also need two identical 2x2 full-face photos; these can be taken at several places around this area including CVS on Main Street in Westbrook, Wal-Mart in Scarborough, Photo Barn in North Windham and AAA in Portland. **Pictures can also now be taken in the Town Clerks office for a fee of \$10.**

You will also need two forms of payment: 1): A check or money order, payable to The U.S. Department of State. 2): A payment to the Town of Gorham for \$30.00 which can be a check, cash or debit card. The payment for the U.S. Department of State is as follows: Adult \$67.00, child (15 and under) \$52.00. **If you need your passport in a hurry, you can have it expedited for an extra charge of \$60.00. This will insure that it is received within two weeks.**

For children under 14 years of age: The application requires signatures of both parents who need to show a parental relationship. This can be a birth certificate and other identification. If a parent has sole custody, they need to show either a written consent from the absent parent or legal evidence of sole custody.

What types of services are available online?

www.gorham-me.org

Many services that are available at the Municipal Center are also available online and some are listed below. Depending on your need, there are also many forms and applications on the website from the various Department pages.

Vehicle Re-registrations: There is a link to "Rapid Renewal" on the Town's homepage.

Online Dog Registrations: There is a link provided on the Town's homepage.

Hunting/Fishing Licenses: There is a link provided in the "Hunting and Fishing" section on the Town Clerk's Department page or you can visit www.informe.org/moses.

When will my trash be picked up? What if there is a holiday?

There are several different trash pick up days, depending on where you live. You can look up your area by logging onto the Town website and going to the "Trash and Recycling Information" link from the Public Works Department page. You will also find alternate schedule information as well as other useful information on recycling.

Who do I contact if I come across a stray dog or cat?

You can reach the Animal Control Officer by calling Dispatch at 839-5581.

REPORT OF THE TOWN MANAGER 2007-08

I am very pleased to present to the Town Council and Citizens of Gorham the Annual Report for the fiscal year beginning July 1, 2007 through June 30, 2008.

During much of this past fiscal year, the national and state economy slowed down as higher energy costs showed up at the gas pump and in higher costs to heat our public facilities. The higher prices of energy led to slowing excise tax revenue and fewer building permits for single family homes and fewer permits in general. Permits for Single Family Housing, including condominiums, dropped from 60 the previous year to 46 permits this past fiscal year.

Adding to higher energy costs was an increase in snowfall. The increase in the number of storms that required plowing or sanding from 17 storms the prior year to 25 this year, contributed to the increase in spending. This made the 2007-08 fiscal year more challenging than recent years.

Although this past year was difficult, the Town continued to make good progress in many areas important to the community.

In last year's annual report, I reported that the Maine Department of Transportation had solicited bids for the construction of the first phase of the Gorham By-Pass and that the project would start soon. Shaw Brothers, a local contractor, was the successful bidder for the project and started work almost immediately after being awarded the contract. By the time an official ground breaking ceremony was held on August 15, 2007, significant work on clearing the right of way for the By-Pass had already occurred. Speakers at the Ground Breaking Ceremony included Congressman Tom Allen, a representative from Senator Olympia Snowe's office, David Cole, the Commissioner of the Maine Department of Transportation, Norm Justice, the Chair of the Gorham Town Council, John McDade from the Federal Highway Administration and several others. Some members of the community who served for several years on the By-Pass Project's Advisory Committee were also able to attend the ceremony and had an opportunity to see all of their hard work starting to pay off. This project had been the subject of 16 studies over a 50 year period of time. The first phase will construct a road from Brandy Book Hill on Route 25 and continue south to intersect with Narragansett Street and pass under a new bridge being constructed on Flaggy Meadow Road and connect onto South Street (Route 114) between Waterhouse Road and Straw Road. As the fiscal year ended on June 30, Shaw Brothers was continuing to make rapid progress. The primary purpose of the By-Pass is to reduce traffic congestion in Gorham Village. However, it will also make the Village safer by reducing the number of large trucks making turning movements at the main intersection of Routes 25 & 114.

As I indicated in last years report, the By-Pass is also the first step in providing an easier commute for people who work in Scarborough, Westbrook, Portland or South Portland, and live in Gorham, Standish, Buxton or other communities west of Gorham. The Gorham Town Council had already initiated efforts to continue this work and develop a transportation system for moving traffic from the southern end of the By-Pass into the other communities by meeting with the Maine Turnpike Authority and Maine Department of Transportation. The next step in this long process is to study the transportation options. The Town Council took a very important step toward this goal in February 2008 when they approved an agreement with the Maine Turnpike Authority and Maine Department of

Transportation to conduct an East-West Corridor Study which would study the options for providing better commuter transportation. Equally important the communities of Westbrook, Scarborough and South Portland also entered into similar agreements with the Turnpike Authority and Maine Department of Transportation. As the fiscal year came to a close we were being advised by these agencies, that this important study would begin sometime in the fall of 2008 or early 2009.

A 10 year long wait finally ended when the project to reconstruct a portion of Libby Avenue between Main Street (Route 25) and New Portland Road and also to reconstruct Brackett Road finally got underway this past year. Both projects were eligible for State and Federal funding along with the Town's local share. The Town of Gorham submitted an application for both projects in June 1998. After many years it appeared that the projects would finally receive Federal and State funding in 2006 and the Town Council asked the voters in Gorham to approve our local share of \$1.34 million during the November election in 2005. The voters did their part by approving the bonds for the local share, but federal and state funds did not become available until 2007. I am happy to report that this project is underway as the year comes to a close.

Another project that has been worked on for many years and is important to Gorham's future is the project to replace the outdated White Rock School. This project which scored high on the States list of school projects, hit some speed bumps early in the fiscal year when the School Department was unable to obtain an agreement to purchase a site on Huston Road selected for the new School. This resulted in a renewed effort by the School Department to find another site for the new school and involved some additional environmental and engineering work. After conducting the various reviews another suitable site was found off Route 237, and the School Department signed a purchase and sale agreement in April for this property subject to approval by the voters. This School project is scheduled to go before the voters in September 2008.

In an effort to address current and future needs in Public Safety, the Town Council initiated another important effort by retaining PDT Architects to review the current Public Safety Building (the former Municipal Center) located on lower Main Street. This building was originally built around 1973 and does not provided the space or layout needed for a modern Fire, Rescue or Police Department. With the Town growing about 20% every 10 years, the Town will need to provide appropriate facilities for these Departments to properly perform their work in the future. The current effort with PDT Architects is intended to determine what options are available and which options provide good long term value for the Gorham community.

In April 2007, the Town Council appointed 9 members from the community to form a Fire and EMS Study Committee to build on the Fire & EMS Study that had been completed in 2006. The hard working Committee studied the staffing and operational needs of the Fire and Rescue Department and met 9 times throughout the summer and fall and issued their report containing 15 recommendations in October 2007. At their meeting in November, the Town Council quickly acted on several of the major recommendations by authorizing 2 additional full-time positions and adjusting pay for our valuable Call Department employees.

During the November 2007 election, voters approved several important referendums. The voters authorized the Town to issue \$3 million in bonds for several road projects. Initially the Town had hoped to do as many as 6 different road projects, but the high cost of energy greatly inflated prices submitted by contractors. After reviewing the bids, we were able to move forward on the reconstruction of Day

Road and planned reconstruction of Plummer Road and Osborne Road. If there are sufficient funds remaining after these projects, the Town intends to complete some work on a fourth road.

The voters also authorized the Town to use Recreation Impact Fees to construct athletic fields at the Gorham Middle School. This project will construct 3 multipurpose playing fields, a softball field and finish off a parking lot to support the fields. The Recreation impact fees were collected over a period of several years from people obtaining a permit to build a new home and are intended to help the community address the shortage of athletic facilities without the need to increase property taxes for these projects. The Town and School Department approved an agreement that allows the fields to be used for School purposes and also to be used by the Town's Recreation Department, community groups and members of the public.

Several other important events occurred this year which including:

- The Gorham PTA terminated their lease for the Old Robie School located in Little Falls and gave the building back to the Town. This building is being used by the Recreation Department and is also available for wedding receptions, family reunions and other similar events for a small rental fee.
- In September, the University of Southern Maine opened a new Apartment-style dormitory on the Gorham campus, housing approximately 298 students.
- In September, Baxter Memorial Library started a year long project to celebrate the Library's centennial. As part of the project, the Trustees launched a campaign to establish an endowment fund and received a generous initial donation of \$10,000 from Gorham Savings Bank to kick off the campaign.
- In April, the Planning Board gave final approval to a project to open a quarry and construct an Asphalt Mixing Plant off Mosher Road (Route 237).
- The Town accepted Shepard's Way, Marathon Avenue and Twilight Lane as new public roads with a combined total of about 0.53 miles of new roads.

Every year there are many people who volunteer to serve the Gorham Community in one capacity or another. Some are members who serve on our various Boards and Committees, while others volunteer at Baxter Memorial Library or in the Recreation Department as coaches or help in other ways. I would like to take this opportunity to thank each and every one of you. All of your contributions greatly add to the quality of life and help create a genuine sense of community in Gorham. Your contribution of time and energy is one of the things that make Gorham a very special place to live.

Finally, I would like to express my appreciation to all of the Town's employees for their continued commitment and dedication to the Gorham community.

Respectfully Submitted,

David O. Cole
Gorham Town Manager

ASSESSING DEPARTMENT

The Assessing Department assigns and updates tax values on existing and new taxable real and personal property and finalizes the tax rolls for commitment purposes. We establish and provide information including property tax value and map/lot numbers and addresses and create updated tax maps each year. We also administer tax exempt and tax reduction programs and answer a variety of questions as needed.

* The drop in the tax rate for fiscal year 2002 was the result of revaluation.

** The drop in the tax rate for fiscal year 2008 was the result of a Town wide value adjustment for all real property tax parcels.

BAXTER MEMORIAL LIBRARY

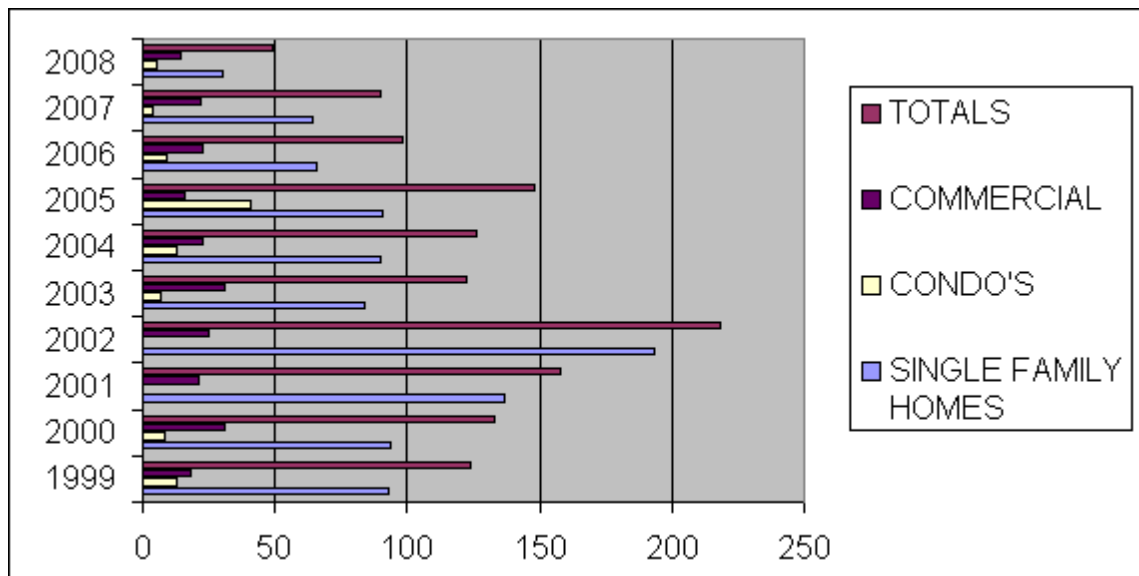

The Baxter Memorial Library is a cultural and educational institution which exists to serve as a community resource center meeting the needs of its citizens of all ages for information, enjoyment and life-long learning. Through its association in the MINERVA Library Consortium, the Baxter Memorial Library has access to books and resources from around the state, making it truly a library without walls.

Code Enforcement Office

The following services are provided by the Code Enforcement Office: Review applications and issue permits (building, electrical, plumbing, septic system, sign and use permits), conduct inspections pertaining to the aforementioned, assist the public with zoning matters, assessing information, (copies, deeds, etc.), investigate complaints and enforce ordinances, codes and certain state laws, provide staff support for the Zoning Board of Appeals. The CEO sits on the Site Plan Review Committee and confers with the Planning Department. The CEO and Assistant CEO review building plans and proposals going to the Planning Board and Site Plan Review Committee, work closely with the Fire Department to ensure compliance with related codes, administer the Small Community Grant Program for the replacement of malfunctioning septic systems for qualified applicants, work in conjunction with the State Electrical Inspectors Office, State Planning Office and the DEP to ensure compliance with relevant state and local laws and ordinances. The CEO interprets ordinances and codes and makes determinations on ambiguous or questionable parts thereof (subject to appeal). New to this department in 2008 are the responsibilities previously handled by a Compliance Officer which are now handled by the Assistant Code Enforcement Officer.

Gorham Access Television & Technology Center
GOCAT Channel 2 (Community Access)
GGETV Channel 3 (Government/Education)

Mission Statement:

To be a communication resource for use by the community and its citizens.

Gorham Access maintains the broadcast functions for 2 PEG TV stations.

Channel 2 – the community side, provides training and equipment to residents wishing to create their own media presentations. GOCAT Studio houses the production suite and multiple computer workstations that provide a range of technology related software.

GOCAT staff frequently works with citizens, Town of Gorham, Gorham School Department, the Gorham Business & Civic Exchange, University of Southern Maine, non-profits, and civic organizations to produce local programming. Productions feature guest lecturers, special events, local talk, school arts and sports, and informational shows. Gorham Access is the steward of the community video archives and receives frequent requests for media duplication and edits of footage. Staff maintains the community “bulletin board” providing announcements of station programming, local events and services.

Channel 3 – the government and education station is staffed by GOCAT and records and re-broadcasts municipal and school meetings as well as information provided by county and state departments. Staff maintains a second “bulletin board” that provides official information pertinent to citizens regarding governmental affairs.

Staff:

- 1 full time -Access Television Manager/ Production & Technical Director
- 1 part time (20 hours/week) -Media Specialist
- Auxiliary/On call -Videographers
- Volunteers

Major Equipment:

Video Equipment: Digital Video Cameras, Digital Still Cameras, Non-Linear Edit Systems, Remote Camera Systems, and a Field Production System

Computers: 4 Apple / 6 PC, variety of production and graphics software

Sound Equipment: Public Address System, Microphones, Audio Mixers, and Field Recording System, sound processing software

Production Studio located at Gorham Municipal Center

Proprietary Broadcast Video Systems: Compix, Scala, Nexus, and Princeton Server

Multiple software programs.

Gorham Access provides 4 wireless Internet zones at the Municipal Center.

Programming Statistics Channel 2: Gorham Community Access:

- Local Programming – Gorham citizens or staff produced shows.
Per Day Average: 4-8 hours Per Year Average: 1450 –2300 hours
- Alternative Programming- other access TV/ civic/ labor / political groups
Per Day Average: 4-8 hours Per Year Average: 1450 –2300 hours
- GOCAT broadcast day is 5 am till midnight (19 hours)
- *Bulletin Board* runs between program gaps and from midnight –5 am

Programming Statistics Channel 3: Gorham Government/Education

- Live Broadcast of all monthly meetings for Town & School.
Per Week Average: 6 hours Per Year Average: 300 hours
- Re-Broadcast of municipal meetings.
Per Week Average: 12 hours Per Year Average: 625 hours
- *Bulletin Board* runs between program gaps and from 9 pm – 8 am

PLANNING DEPARTMENT

Statistical Summary

FY2008

The Planning Department provides planning assistance and technical support to the Planning Board, the Site Plan Review Committee, the Town Council and the general public. The staff coordinates the review of all proposed land use development applications requiring approval by the Planning Board or Site Plan Review Committee. The Department also oversees special planning projects, the development and adoption of new ordinances and amendments to the Land Use and Development Code as well as the Official Zoning Map of the Town.

During this past fiscal year, the Planning Department handled a total of eight-six subdivision, site plan, private way, gravel pit, street acceptance and other applications, along with four major amendments to the zoning ordinances.

Development Activity

Beginning of FY2008	No. of Applications Pending	49
July 1, 2007 – June 30, 2008	No. of New Applications Submitted	35

PUBLIC WORKS DEPARTMENT

The Town of Gorham's Public Works Department is primarily responsible for the maintenance of over 139 miles of Town roads and 12.5 miles of State roads. This road maintenance work includes, but is not limited to, the maintenance of pavement (summer and winter), markings and striping, signage, bridges, culverts, ditches, traffic lights, trees, picking up dead animals and trash in the roadway, mowing of grass within the roadway, cleaning of catch basins, and street sweeping. In addition to roadway maintenance, Public Works also conducts capital road improvement projects, building, cemetery and facility maintenance, cemetery burials, mowing and trimming of Town grounds, and oversees the curbside collection "Pay-Per-Bag" and recycling program. Public Works, through the Town Engineer and the Inspection/Compliance Officer, assists with development plan review and construction and coordinates the Town's GIS Program. Public Works also assists every other Town Department and the School System in a variety of capabilities when needed.

**PUBLIC WORKS DEPARTMENT
TRANSFER STATION
SOLID WASTE AND RECYCLING**

The Public Works Department maintains the two existing closed landfills, including the administration of the required water testing program.

The transfer station is open for grass clipping drop-off during normal business hours and is open by appointment noon to 1 p.m. Monday through Thursday for the disposal of motor oil. The transfer station is also open during two Saturdays in the spring and two Saturdays in the fall for brush disposal.

The Pay-Per-Bag curbside program began in July 1, 2002 and includes the collection of solid waste and recyclable materials. The current 5-year average tonnage of solid waste brought to EcoMaine from the Town of Gorham is 2,294.06 tons. 177,500 15-gallon trash bags and 123,625 33-gallon trash bags were sold in FY08.

RECREATION DEPARTMENT

Gorham Recreation Department provides people of all ages opportunities for activities and experiences that support healthy living and community involvement. We offer wide a variety of youth and adult sports programs, family outdoor recreation opportunities including hiking, biking, skiing, canoeing and a host of community special events including concerts, festivals, holiday celebrations and camp activities for grades K-8 on a year round basis. In 2007, Gorham Recreation offered 98 programs. Over 300 volunteers contributed over 6,520 hours of their time. An estimated 13,768 people participated in our activities throughout the year.

TOWN OF GORHAM, MAINE
Reconciliation of the Statement of Revenues, Expenditures
and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the year ended June 30, 2008

Net change in fund balances - total governmental funds (from Statement 4)	\$ 2,534,451
Amounts reported for governmental activities in the statement of activities (Statement 2) are different because:	
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which depreciation expense (\$2,988,864) and loss on disposal (\$13,906) exceeded capital outlays (\$2,647,335) in the current period.	(355,435)
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.	131,800
Bond proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net assets. (Note 10)	(4,000,000)
Repayment of bond principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net assets. (Note 10)	2,674,650
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in long term accrued compensated absences. (Note 10)	(41,360)
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in long-term capital leases. (Note 10)	207,380
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in accrued bond interest payable.	(27,592)
Change in net assets of governmental activities (see Statement 2)	\$ 1,123,894

See accompanying notes to financial statements.
