* This is not a complete list of the services the Town offers. Please visit the Town's website for a complete listing.

The Town of Gorham also offers an online mapping application. The WebGIS is an interactive map that runs in a web browser and provides the public with geographic data not previously accessible. Some of the data that is available includes: road centerlines, property lot lines, zoning, utilities (Sewer & Water), floodplains (Current and new Proposed FEMA Maps), and much more. Click on the Interactive GIS Maps in the "Where do I go for" section on the Town's homepage.

When are my taxes due?

Taxes are normally due November 15th and May 15th. The Town Council may occasionally change these dates if they fall on a weekend.

How can I view my property tax bills?

Access this information by going to the Town's website www.gorham-me.org. From the homepage, go to "Town Departments" and then click on "Assessing Department". Scroll down to find the link for "Real Estate and Personal Property Tax Bills". Choose the desired year to view. Choose the file with the first letter of the property owner's last name as of April 1st. If you are printing a copy of the tax bill, be sure to choose "print current page" or "print selected record" on the printer menu so you don't print the entire file.

How can I view my property assessment information?

You can access this information by going to the Town's website www.gorham-me.org. From the homepage go to "Town Departments" and then click on "Assessing Department". Scroll down to "Current Property Tax Data (Vision)". Click on the link to view information on property, including assessed value and photo of building(s).

Do I have to apply for the Homestead Exemption or Veterans Exemption every year?

No. Once approved, your Homestead Exemption is in place and will carry over from year to year. If you move, you will have to submit an application for the new property.

Where can I get a burn permit?

Weather permitting; residents are able to obtain burning permits during the hours of 8:30am to 4:30pm, Monday through Friday and on Saturday and Sunday from 8:30am to 12:00pm at NO CHARGE. Burn permits are also available at no charge (only during the above listed hours) from the Town of Gorham website at www.burningpermit.com.

At other times you are able to obtain burning permits from <http://www.maineburnpermit.com> at a fee of \$7.00, 24 hours a day, 7 days a week.

How can I get a Fireworks permit?

You can apply for a fireworks permit by going to www.fireworkspermit.com or go to the links on the Town of Gorham's Web Page or Gorham Fire Departments Web Page. Residents, who are 21 years old and are going to use the fireworks on their own property or have written permission to use some else's property, may apply for a Fire Works permit Monday thru 12:00 PM Saturday. If weather allows and the Town is issuing burning permits, those that have applied will have their fireworks permit approved after 09:30 on Saturday morning. No permits will be available after 12:00 noon on Saturdays. Once the permit has been approved, you must print it, sign it and have it with you while using the fireworks. You must be a least 150 feet from any structure.

What do I need to get my car registered?

For **FIRST** time registrations, the person or persons to whom the vehicle is being registered must come in to process the registration. Anyone can re-register a vehicle.

Proof of Insurance from your Insurance Company can be e-mailed to townclerk@gorham.me.us or faxed to 839-5036.

If purchased from a Maine dealer:

- Blue Copy of Title Application
- Lease agreement (If a leased vehicle)
- Proof of Insurance
- Old Registration (if old plates are being used)
- Maroney Label (Window sticker if a brand new vehicle)
- Current Mileage

If purchased in a private sale (Note that sales tax must be paid to Town Office):

- Bill of sale
- Previous owner(s) original title assigned to you on the back by seller or the blue copy of title application from a lending institution
- Lien Release (if needed)
- Proof of Insurance and current mileage

If previously registered out of State:

- Out of State Title or lien holder's address
- Lease agreement (If a leased vehicle)
- Out of State Registration
- Proof of Insurance
- Current Mileage
- Paperwork for Vehicle Re-registration
- Old Registration - Proof of Insurance - Current Mileage

Do you accept credit cards?

The Town of Gorham offers the convenience of accepting credit cards or debit cards for payments. Due to the fees charged to the Town by the Bank to process these transactions, a non-refundable convenience fee will be applied to cardholders who wish to pay via credit card or debit card. The fee will be disclosed at the time of the payment transaction with the option for the cardholder to decline the fee and make the payment via check or cash. A fee of 2.45% of the transaction amount will be charged for any amount over \$122. A \$3.00 minimum will be charged for any transaction amount under \$122.

How can I obtain a passport?

As of May 1, 2011 and until further notice, the Town Clerk's Office will no longer be accepting passport applications due to changes in the Western Hemisphere Travel Initiative. Passport photos may still be obtained in the Town Clerk's Office. Applications may be processed at the Gorham Post Office.

When will my trash be picked up? What if there is a holiday?

There are several different trash pickup days, depending on where you live. You can look up your area by logging onto the Town website and going to the "Trash and Recycling Information" link from the Public Works Department page. You will also find alternate schedule information as well as other useful information on recycling.

Who do I contact if I come across a stray dog or cat?

You can reach the Animal Control Officer by calling Dispatch at 839-5581.

REPORT OF THE TOWN MANAGER FOR FY 2012-13

It is my pleasure to provide the Annual Report for the year beginning July 1, 2012 through June 30, 2013, to the Town Council and the citizens of Gorham.

During the last fiscal year the Town experienced a strengthening economy as the year progressed. The Town issued 79 building permits for single family homes and condominiums compared to 48 permits last year, or an increase of 64%. This compares to only 27 permits issued in fiscal year 2008/09 permits. The Town also issued 44 commercial permits compared to 38 permits the prior year and 20 permits issued two years ago.

The improving local economy appears to be reflected state-wide with the State reporting a surplus of \$58 million at their fiscal year end. However, this did not translate into a better working relationship with the State. For years there has been a recognized partnership between the State and local Maine governments like the Town of Gorham. Perhaps the best example of that partnership was the State Revenue Sharing program. In 1972, the State Legislature approved the State Revenue Sharing program to share a small portion of sales tax revenue with local Maine communities. The program recognized that local Towns are asked to provide services that benefit the State because they can often be provided more efficiently at the local level. It was also intended to recognize that the State Legislature eliminated the inventory tax which, back then, was part of the local government's tax base. When the economy was in recession and sales tax revenue shrank, the State and Towns suffered equally from the downturn in the economy and prospered equally when the economy was doing better. The State honored that commitment for 36 years until 2006, when the State raided the Revenue Sharing funds to help pay for the State's budget problems. At first, 2% of the funds were transferred (that is the technical term for swiping the Towns Revenue Sharing funds), then in 2010 21% of the funds were swiped, 32% last year, and this year, 53%. For Gorham, that meant that the State took approximately \$841,000 from the Town, or 64 cents on the property tax rate. In effect, the State decided to have local property tax payers pay for the State's budget problems.

The Town Council also made an effort to address the Town's inadequate Public Safety facilities, which was originally identified in a 1999 study as one of the Town's priority needs. In 2005, the

Town Council started studying potential projects to address this critical need. That effort was put on hold in 2007 when the country was thrust into a significant recession. In August 2012, the Town Council voted to ask the citizens to approve a \$4 million bond to make improvements to the existing building on lower Main Street. After reconsideration, the Council voted in September 2012 to rescind that action and appointed a Committee to study the issue. In December, the Committee, after reviewing 7 potential projects, recommended that the Town construct a facility at the former Little Falls School site on Acorn Street and approved a June 2013 referendum of \$6.3 million for the project. That referendum was soundly rejected by the voters and left this issue as one of the Town's more critical areas that will need to be addressed in the near future.

Prior to the June 13 referendum on the Public Safety project, voters in November 2012 approved a \$500,000 bond to make improvements to the former Little Falls School building and to the Little Falls Recreation Area, located across Grey Road from the former School. Originally built in 1956, the old school is in need of significant repairs. This project was initially put on hold while the Council waited to see the results of the Public Safety referendum in June. Now that voters have rejected that Public Safety project, this project will proceed during the coming fiscal year.

For many years, a small Library in Little Falls provided local services to the Little Falls and South Windham area. Last year, the Trustees concluded that the number of users was so small that it no longer made sense to keep the Library open. At the request of the Trustees, the Town appropriated funds to demolish the building. However, at the last moment, the Windham Historical Society asked for the building. As a result, the building was relocated to a Historical site in Windham and will be preserved for many more years.

The White Rock School served as the local school for the White Rock and North Gorham area. In 2012, the new Great Falls Elementary School opened, and White Rock School closed. The White Rock School sat on a relatively small lot and was not served by public sewer or public water, which made this a difficult site to effectively operate a School. This past year, the Town Council appropriated \$175,000 to demolish the School. However, in May, after soliciting bids to demolish the building, the Town Council voted to solicit interest in redeveloping the site and reusing the building before deciding whether to demolish the building. At the end of the fiscal year on June 30, this process was still on going.

In June 2010, the Town acquired, through a foreclosed tax lien, a building located at the corner of Preble Street and Elm Street that had been a College fraternity house. The activity at this building had been a source of complaints from the neighbors for a number of years. Although, the Town will usually work with prior owners to allow the taxes to be paid off, in this instance, the Town Council retained the building and then sold it through a public process. This past year, the new owner redeveloped the building into a small business and held an open house. Not only did this process provide a new business to the community, but the new activity in this building is proving to be much more compatible with the neighborhood.

The Town Council also approved a new 3-year contract for dispatching services with Cumberland County. The Town initially switched its dispatching services in 2003. In the nine years since then, the community has saved well over \$1.5 million. The annual cost with the new 3-year contract is still below the annual cost the Town was spending on dispatching when it voted to use Cumberland County for this service.

In November 2012, voters approved the purchase of a new Fire Engine to replace a 29 year old Fire Engine that had served the Town well for many years. Previously, the voters had approved a new Fire Engine in June 2012 to replace a 30 year old Fire Engine. As a result, the Town was able to take advantage of purchasing multiple Fire Engines at once, which reduced the cost of individually designing and engineering separate Fire Engines. Taking advantage of this opportunity allowed the Town to save on the overall cost of purchasing the Fire Engines. Because there is an eight to twelve month lead time between ordering the new Fire Engines and having them actually arrive in Gorham, the arrival of the new Engines is anticipated in the Fall of 2012.

In Spring 2012, the Maine Legislature approved a new law allowing the sale and use of consumer fireworks in the State of Maine. As a result, many Maine communities were left scrambling to develop appropriate local regulations for their communities. Some communities prohibited the use of fireworks while other communities allowed them but placed restriction on their sale and use. As the fiscal year ended on June 2012, the Town Council was reviewing a draft Ordinance to regulate consumer Fire Works in Gorham. Subsequently, in August, the Town Council adopted the Town's first Ordinance regulating consumer fireworks. This Ordinance allows the use of fireworks but limits when they may be used.

The Founders Monument was originally authorized at a Town Meeting on May 6, 1805 and erected at the Northeast corner of Captain Robie's Store. The monument has been moved several times over the years as the Town has grown or changed. In August 2012, the Town moved the Founders Monument again, which in 1936 had been relocated on the corner of Fort Hill Road (Route 25) and Church Street, to the courtyard in front of the Municipal Center. Now located near South Street, it is more visible and in a safer location for people to enjoy.

In March 2013, the Town Council appointed a Committee to develop a Master Plan for the Little Falls Recreation area and to look at other recreation areas of the community. A Master Plan would help to guide future development. The Town already has a Master Plan for the Chick Property, adopted in 2008, which is one primary area for recreation in Gorham. Over the years, the Little Falls Recreation Area has been one of the prime recreation areas for organized recreation in Gorham. As the fiscal year came to an end, the Committee was finishing up its work and preparing to make recommendations to the Town Council for them to consider early in the next fiscal year.

In May, the Town Council approved a request from the Trustees of Eastern Cemetery for the Town to take over the assets and operation of the Cemetery. The Town Council's vote is only the beginning step in a longer process. The State Attorney General and Probate Court will both

have to approve the transaction. It is likely that the Town will receive formal approval sometime in the next fiscal year and will formally take over Eastern Cemetery at that point. I am also pleased to report that for the tenth consecutive year, the Town received a Certificate of Financial Achievement of Financial Reporting. Gorham is one of the few communities in Maine to receive this distinguished award.

As I have indicated for many years, volunteers play a critical part of providing quality services to the community. For all of the folks who volunteer to be coaches in our Recreation programs, help out at Baxter Memorial Library, or serve on some of the Town's Boards or Committees, I would like to express my appreciation for your public service. You not only help us provide many of our important services, but also help us stay focused on the needs to the Town and the citizens who live here. Thank you for all you do for Gorham.

Finally, we have many full-time, part-time and temporary employees who faithfully provide high quality services day after day. Normal times are challenging, but these past few years have been even more challenging than normal. Your dedication and willingness to help the Town meet and respond to those challenges has been greatly appreciated. Thank you for your daily commitment to the Town and its citizens.

Respectfully submitted,

David O. Cole
Town Manager

ASSESSING DEPARTMENT

The Assessing Department assigns and updates tax values on all existing and new tax parcels in Gorham using a computer based assessing program (Vision), including a geographic information system (GIS) component. This process includes property inspections and technical data entry, sales studies and analysis, and changes within the system when appropriate. We provide a wide range of property information to real estate professionals and others through the Town of Gorham web site and over the telephone, through email, and in person at our office. We review and assign addresses and tax map/lot numbers for newly created lots and subdivisions and frequently work with contractors, other Town of Gorham departments, and Emergency-911 agents regarding address issues, including the E-911 mandated naming of driveways. We also process all property owner transfers and maintain files on each taxable parcel. We digitally store deeds and maintain sale price records. Each year, we produce updated tax maps of all real estate tax parcels in Gorham.

We also administer a number of tax exemption programs and special use designations including tree growth, farm use, open space, homestead, veteran, and blind exemptions, and the personal property BETR and BETE programs that result in tax savings for Gorham property owners and businesses. We provide assistance and question resolution regarding these exemptions and tax reduction programs. Annually, we compile a total value for all assessed taxable property and respond to a variety of State of Maine reporting requirements.

BAXTER MEMORIAL LIBRARY

The Baxter Memorial Library serves our community as a welcoming and accessible gathering place for information, lifelong learning, and enjoyment. Through its association in the MINERVA Library Consortium, the Baxter Memorial Library has access to books and resources from around the state, making it truly a library without walls.

*The library was open 3 less hours (reduced to 47 per week) beginning 7/1/08 due to budget cuts.

**The library was open 4 less hours (reduced to 43 per week) beginning 9/14/09. Interlibrary loan was suspended for 6+ weeks due to lack of statewide delivery service mid July – August 2009.

^ As a convenience to our patrons and to align with Minerva loan periods, we increased our book loan period to 3 weeks in November 2009. This has decreased the number of renewals and, therefore, our total circulation. In FY 2011, our checkouts have remained stable and our interlibrary loan activity increased by 11%.

CODE ENFORCEMENT OFFICE

The following services are provided by the Code Enforcement Office: review applications and issue permits (building, electrical, plumbing, septic system, sign and use permits), conduct inspections pertaining to the aforementioned, assist the public with zoning matters, assessing information, (copies, deeds, etc.), investigate complaints and enforce ordinances, codes and certain state laws, and provide staff support for the Zoning Board of Appeals. The CEO sits on the Site Plan Review Committee and confers with the Planning Department. The CEO and Assistant CEO reviews building plans and proposals going to the Planning Board and Site Plan Review Committee in addition to compliance regarding Planning projects on-going and completed, along with working closely with the Fire Department to ensure compliance with related codes, administer the Small Community Grant Program for the replacement of malfunctioning septic systems for qualified applicants, and work in conjunction with the State Electrical Inspectors Office, State Planning Office and the DEP to ensure compliance with relevant state and local laws and ordinances. The CEO interprets ordinances and codes and makes determinations on ambiguous or questionable parts thereof (subject to appeal).

FIRE/RESCUE DEPARTMENT

The Gorham Fire/Rescue Department provides the following services to our citizens through 10 fulltime personnel, 2 Secretaries, 1 Fire Chief, 1 Deputy Fire Chief, 2 Call Deputies, 1 part time Fire Inspector and 100 call company members: Fire Suppression, Emergency Medical Services at the Paramedic level, Hazardous Materials and Weapons of Mass Destruction response, Confined Space Rescue, Water Rescue, Extrication, Fire Prevention and Education, Code Enforcement and Inspections of all Fire Codes and Plan review. The Town of Gorham recently underwent an ISO Evaluation, which resulted in the Town's ISO Score of 4.9 being lowered to 3.5 effective September 1, 2012. This is a significant improvement and will result in lowered insurance rates to residents and commercial businesses.

Gorham Access Television & Technology
GGETV Channel 3 (Government/Education) – www.gorham-me.org
GOCAT Channel 2 (Community Access) – www.gocat.org

Mission Statement:

To be a communication resource for use by the Town and its citizens.

Gorham Access staff maintains the broadcast and technical functions for two PEG (Public/Educational/Government) TV stations. Management of streaming video system and other on-line video content is also handled by staff. Production studio and office is located at the Gorham Municipal Center.

Channel 3 – the government and education station is staffed by GOCAT and records and re-broadcasts municipal and school meetings as well as information provided by county and state departments. Staff maintains a “bulletin board” that provides official information pertinent to citizens regarding governmental affairs. The Town website for GGETV is updated weekly. Staff assists Town & School Department in requests for informational productions, media support, set-up of equipment, designing presentations, video edits, and media duplication. Station Manager maintains technical operations and repairs for the TV Studio and broadcast functions for both channels.

Please note this important change of services from Time Warner Cable
Information supplied to Town of Gorham on June, 5, 2013 in a letter from
Shelley Winchenbach, Director, Government Relations, Time Warner Cable
The following are highlights and not the entire transmittal.

“Effective on or about July 23, 2013, Time Warner Cable ("TWC") will take another important step towards adding additional programming and improving Internet speeds by reclaiming bandwidth through providing existing programming in digital format only. “

“Time Warner Cable will convert additional analog channels to digital format, including Public, Education, and Government ("PEG") Access channels, which will now be carried in digital format on the Basic Service Tier ("BST"). “

“For the limited customers who do not already have digital equipment we will, upon request, offer DA(s) [digital adapter] and remote control(s) in order that those customers may continue to have access to the PEG channels.”

GORHAM ECONOMIC DEVELOPMENT CORP.

The Gorham Economic Development Corporation (GEDC) has prepared this activity report as a way of providing an account of its development efforts and results for the prior year. The Corporation's focus is to engage in business attraction and retention practices that will allow for the expansion of the business community in Gorham thereby stabilizing and expanding the tax base and creating jobs for its citizens. While constituted as a stand alone corporation, it is funded by the Town of Gorham. Staff also participates in special development projects including managing the town's revolving loan fund, grant applications, and regional planning efforts. The corporation is staffed by 1 part time employee and overseen by a 9 member volunteer board of directors which meets monthly.

2012/2013 is the first among the past several years to show a noticeable improvement in the local economy and business development activity.

**PUBLIC WORKS DEPARTMENT
TRANSFER STATION
SOLID WASTE AND RECYCLING**

The Public Works Department maintains the two existing closed landfills, including the administration of the required water testing program.

The transfer station is open for grass clippings and leaf drop-off during normal business hours and is open by appointment noon to 1 p.m. Monday through Thursday for the disposal of motor oil. The transfer station is also open during two Saturdays in the spring and two Saturdays in the fall for brush disposal.

The Pay-Per-Bag curbside program began in July 1, 2002 and includes the collection of solid waste and recyclable materials. The current 5-year average tonnage of solid waste brought to EcoMaine from the Town of Gorham is 2,188 tons. 152,000 15-gallon trash bags and 90,250 33-gallon trash bags were sold in FY12.

RECREATION DEPARTMENT

Gorham Recreation Department provides people of all ages opportunities for activities and experiences that support healthy living and community involvement. The Department offers wide a variety of youth and adult sports programs, family outdoor recreation opportunities including hiking, biking, skiing, canoeing and a host of community special events including concerts, festivals, holiday celebrations and camp activities for grades K-8 on a year round basis.

TOWN OF GORHAM, MAINE
Reconciliation of the Statement of Revenues, Expenditures
and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the year ended June 30, 2013

Net change in fund balances - total governmental funds (from Statement 4)	\$ (652,998)
Amounts reported for governmental activities in the statement of activities (Statement 2) are different because:	
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which depreciation expense (\$4,211,025) and loss on disposal (\$162,206) exceeded capital outlays (\$1,127,655) in the current period. (Note 6)	(3,245,576)
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.	(126,408)
Bond and note proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of bond and note principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. (Note 10)	3,595,858
The Town is amortizing the deferred charge on refunding, the issuance premium and the bond issuance costs over the life of the refunding bond.	21,320
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in long-term accrued compensated absences. (Note 10)	(29,920)
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in long-term capital leases. (Note 10)	136,445
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in other post employment benefits liability. (Note 10)	(103,655)
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in accrued bond interest payable.	27,630
Change in net position of governmental activities (see Statement 2)	\$ (377,304)
