No acceptance of any payment shall be construed as a release or as an accord and satisfaction of any claim the Town may have for further or additional sums payable as a franchise fee under this Ordinance or for the performance of any other obligation hereunder. However, there shall be an accord and satisfaction with respect to any payment not subject to an audit within thirty-six (36) months following the close of the fiscal year to which such payment relates.

11.24. Completion of Work by the Town. Upon failure of a Company to commence, pursue or complete any work required by this Ordinance, other applicable law or by the provisions of the Franchise Agreement in any Street or other public place within the time prescribed and to the satisfaction of the Town, the Town may, at its option, cause such work to be done with reasonable expenditures therefore and the Company shall pay to the Town the cost thereof in the itemized amounts reported by the Town to the Company within thirty (30) days after receipt of such itemized report.

Section 13 – Maintenance and Repair.

13.1 Maintenance Policy. Each Company shall promulgate and adhere to a preventative maintenance policy directed toward maximizing the reliability (mean-time-between-malfunctions) and maintainability (mean-time-to-repair) of its Cable System with respect to its delivery of Cable Service to Subscribers at or above the performance standard set forth herein. Whenever it is necessary to interrupt service for the purpose of making scheduled maintenance or repairs, adjustments, installations or other maintenance activities, the Company shall do so at such a time as will cause the least inconvenience to

Subscribers. Interruptions in service for planned or scheduled maintenance or repairs shall occur between the hours of midnight and 7:00 a.m. where practicable, except in the event of an emergency, interruptions of five minutes or less that may occur during the course of normal maintenance, and during the rebuild of the Cable System.

A Company's responses to such requests shall occur no later than 24 hours after the Company's receipt of such a request; provided, the response time for service complaints shall be computed excluding Sundays and holidays, except that complaints of no service or unusable service shall be computed including Sundays and holidays.

A Company shall respond within four (4) hours to any area outage that occurs between the hours of 7:00 a.m. and 10:00 p.m. of any day, and by not later than the following 11:00 a.m. to any area outage that occurs between 10:00 p.m. and 7:00 a.m. If a Company responds to a service complaint as herein required and the Subscriber is not satisfied that the problem giving rise to the original complaint has been resolved, the Subscriber shall notify the Company thereof within forty eight (48) hours of the repair visit by the Company personnel, and the Company shall have an additional period of twenty-four (24) hours within which to correct the problem. If such second complaint is made to the Town instead of the Company, the Company shall have a period of twenty-four (24) hours after receipt of oral or written notice from the Town within which to make the correction. The requirements for maintenance and repair shall not apply to Subscribers' television or radio receivers or other Subscriber-owned equipment.

13.5 Rebate or Credit for Service Loss. Upon request, for every loss of service in excess of six (6) continuous hours, the Company shall grant a pro rata rebate or credit of the regular monthly charge to the Subscriber. In the event a Subscriber reports a loss of service to the Company, and such outage exceeds six (6) continuous hours, the Company shall grant the credit or rebate whether or not the Subscriber specifically requests it. The credit shall be pro-rated by multiplying the applicable monthly service rate by a fraction whose numerator equals the number of days of the outage and whose denominator equals the number of days in the month of the outage. In no case shall the refund be less than twenty-four (24) hours' credit. For purposes of this paragraph, loss of Basic Service shall be considered a Subscriber's receipt of less than two-thirds of the respective available channels, and loss of pay Cable Service shall be considered the loss of signal on any pay Channel. The Company shall give the Subscriber a credit no later than the next billing cycle. The Company shall include on each Subscriber bill for service, a notice regarding the Subscriber's right to a pro rata credit or rebate for interruption of service upon request in accordance with this Section. The notice must include a toll-free telephone number and a telephone number accessible by a teletypewriter device or TTY for contacting the Company to request the pro rata credit or rebate for service interruption. Such records shall be available at the Company's local office for at least two (2) years, for inspection by the Town as it may from time to time request, during regular business hours and upon reasonable notice, subject to any privacy restrictions imposed by law. A standard Drop, for which the Subscriber shall be charged the Company's standard installation fee, is a drop running not more than one hundred fifty (150) feet from feeder cable to the Subscriber's structure; provided, that any installation which requires Company to cross a street underground shall be considered a non-standard installation. An aerial Drop in excess of one hundred fifty (150) feet in length shall be considered a non-standard installation. If the Company schedules an appointment with a Subscriber for an installation, repair or other service call, and the Company fails to arrive at the Subscriber's premises within one (1) hour of the scheduled time or scheduled window of time (which window shall not exceed four (4) hours) for reasons not caused by the Subscriber unless rescheduled in advance by the Company, the Company shall, in the case of an appointment for a standard installation, make no charge to the Subscriber for the standard installation, and in the case of a repair or other service call, shall apply a minimum twenty dollar (\$20.00) credit to the Subscriber's account to reduce the cost of any make-up or late repair or service call.
