United States Senate

WASHINGTON, DC 20510

January 3, 2019

Dear Friends,

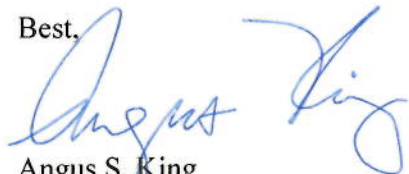

As I travel Maine, I hear from people who live in every corner of our state. I hear about their achievements, their successes, their work to improve their communities – I hear about the hope they have for our state. I also hear about our challenges, and all the work we have left to do. As I see it, that's my job: to listen to you, act where I can to build on what's good, and work on the tough parts. As 2018 comes to a close, I wanted to take a moment to share an update on some of the work we're doing in Washington to lift up the accomplishments of Maine people and make progress on the challenges they face.

From Portland to Presque Isle, from Milo to Camden, I hear about the pain that the opioid epidemic is inflicting on Maine communities. I've met with Maine people in recovery, family members of those struggling with substance use disorders, treatment providers, and law enforcement officials to learn about their experiences with this terrible disease, and everyone agrees that in order to fully respond to these problems, we need a stronger federal effort to end the opioid epidemic. Fortunately, some help is on the way – in October, we overwhelmingly passed a sweeping, bipartisan opioids bill. I've pushed hard for this type of legislation and was proud to have provisions I've advocated for included in the bill. These priorities have been guided by the voices of Maine people, and we'll keep working to confront this tragic problem.

I've also worked to strengthen the future of our forest economy. Maine's forests have powered our state's economy for generations, especially in our rural communities. So, when rapid shifts in the market led to the closure of many pulp and paper mills and biomass power plants, it required a collaborative approach to support future growth in this important industry. That's why, together with the other members of the state's Congressional delegation, I pushed to establish the Economic Development Assessment Team (EDAT). This integrated, multiagency effort aims to foster innovation and commercialization in Maine's forest economy, and we're already seeing the benefits: in recent months, several forest industry businesses have announced significant investments into Maine operations, and in September 2018, the Forest Opportunity Roadmap (FOR)/Maine released an action plan to make sure this industry, and the rural communities it supports, can continue to thrive for generations to come.

As I close this letter, please allow me to express my gratitude to each of you – for your dedication to our state, and to one another. It's often said that Maine is like a big small town (with very long streets)—that's because at our heart, we're one big community. It's not only a pleasure to serve you— it's a pleasure to know you. Thank you for being the reason Maine is so special. Mary and I hope that 2019 will be a good year for you, your family, your community, and our great State.

Best,

Angus S. King
United States Senator

COMMITTEES:
SPECIAL COMMITTEE
ON AGING,
CHAIRMAN
APPROPRIATIONS
HEALTH, EDUCATION,
LABOR, AND PENSIONS
SELECT COMMITTEE
ON INTELLIGENCE

Dear Friends,

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our state have placed in me and welcome this opportunity to share some key accomplishments from this past year.

As Chairman of the Senate Aging Committee, I worked to help ensure the well-being of our seniors. The *SeniorSafe Act* I authored became law last year and is empowering banks, credit unions, and other financial institutions to better protect seniors from financial fraud.

Following extensive committee investigations of prescription drug pricing, additional legislation I crafted became law, ending the egregious practice of pharmacy “gag clauses” that prevented pharmacists from informing patients on how to pay the lowest possible price.

This year, I was also successful in securing an extra \$425 million for Alzheimer’s research—the largest funding increase ever—bringing the total to \$2.34 billion. Additionally, the bipartisan *BOLD Act* I authored will create public health infrastructure to combat Alzheimer’s by promoting education, early diagnosis, and improved care management.

More than 40 million Americans—including 178,000 Mainers—are caregivers for parents, spouses, children, and other loved ones with disabilities or illnesses, such as Alzheimer’s. The *RAISE Family Caregivers Act* I authored was signed into law last year, giving caregivers more resources and training to better balance the full-time job of caregiving. Another law I wrote will help grandparents who are raising grandchildren, largely due to the opioid addiction crisis.

In addition to helping seniors, a major accomplishment over the past year is the increased federal investment in biomedical research that is leading to progress in the fight against numerous devastating diseases. Congress has boosted funding for the National Institutes of Health by \$7 billion in just the last three years, bringing total funding to more than \$39 billion.

One of my highest priorities as Chairman of the Transportation Appropriations Subcommittee is to improve our nation’s crumbling infrastructure and ensure that Maine’s needs are addressed. Since the Better Utilizing Investments to Leverage Development (BUILD) Transportation Grants program, formerly known as TIGER, was established in 2009, I have secured \$160 million for vital transportation projects throughout Maine.

Congress also delivered a Farm Bill last year, which includes many important provisions that will help the agriculture industry in Maine and across the country. Specifically, I secured provisions that will strengthen support for young farmers, improve local farm-to-market efforts, and increase funding for organic research.

Congress took decisive action to address the opioid addiction epidemic. In addition to appropriating \$8.5 billion in federal funding last year, Congress enacted the *SUPPORT for Patients and Communities Act*, a comprehensive package that embraces the multipronged approach I have long advocated for this epidemic: prevention, treatment, recovery, and enforcement to stop drug trafficking.

Maine plays a key role in ensuring a strong national defense. In 2018, Congress provided funding for five ships to be built at Bath Iron Works, which will help to keep our nation safe and provide our skilled shipbuilders a steady job. I also secured more than \$162 million for infrastructure projects at Portsmouth Naval Shipyard to support their important work to overhaul Navy submarines.

A Maine value that always guides me is our unsurpassed work ethic. In December 2018, I cast my 6,834th consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Maine in the United States Senate. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2019 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator

Cell Phone: (207) 712-9735

Maureen.Terry@legislature.maine.gov

Dear Neighbors:

It is an honor and a privilege to serve you in the Maine House of Representatives.

The Legislature has been working on the biennial budget which will guide state spending over the next two years. The budget is how we, as a state, define our values. While we have been working closely with our new governor to negotiate a balanced budget, I have been putting Maine families first. My top priority is to make it easier for folks to live and work here. I have been working hard to enhance public education funding, prevent increases in property taxes and improve access to affordable health care.

The Legislature has also made a great deal of headway on bills focused on the opioid crisis, affordable energy, economic development and good-paying jobs. Democrats and Republicans need to come together and keep moving Maine in the right direction and finish this important work.

As a member of the Legislature's Taxation Committee, I have been committed to bringing your voices to the table as we work on sales, use and excise taxes, the Bureau of Revenue Services, property taxes, tax exemptions and credits, property valuation and assessment and municipal revenue sharing. It is important to me that we have a fair tax system that works for all Mainers and gives hardworking people a fair shot.

I am able to best serve the needs of our community when I hear directly from you, so please feel free to contact me with any questions or concerns regarding state government. I can be reached by email at Maureen.Terry@legislature.maine.gov or by phone at (207) 712-9735.

Once again, I am honored and grateful for the opportunity to serve you.

Sincerely,

A handwritten signature in blue ink, appearing to read "Maureen Terry".

Maureen "Mo" Terry
State Representative

FREQUENTLY ASKED QUESTIONS

What types of services are available online?

www.gorham-me.org

Many services that are available at the Municipal Center are also available online. From the Town's Homepage, click on one of the "Where do I go for" links to:

Re-Register vehicle	Re-Register ATV, Snowmobile, Boat, Trailer
Register dog (between Oct. 15 – Jan. 31)	Obtain a Hunting or Fishing License
Obtain a Burn Permit	Register for a Recreation Program
Reserve or Renew your Library book	Obtain Tax information and print Tax Maps
Search the Library's catalog	Download and print Building Permit Applications
Access Interactive GIS maps	View Meeting Videos
Pay Property Taxes (current taxes)	

* This is not a complete list of the services the Town offers. Please visit the Town's website for a complete listing.

The Town of Gorham also offers an online mapping application. The WebGIS is an interactive map that runs in a web browser and provides the public with geographic data not previously accessible. Some of the data that is available includes: road centerlines, property lot lines, zoning, utilities (Sewer & Water), floodplains (Current and new Proposed FEMA Maps), and much more. Click on the Interactive GIS Maps in the "Where do I go for" section on the Town's homepage.

When are my taxes due?

Taxes are normally due November 15th and May 15th. The Town Council may occasionally change these dates if they fall on a weekend.

How can I view my property tax bills?

Access this information by going to the Town's website www.gorham-me.org. From the homepage, go to "Town Departments" and then click on "Assessing Department". Scroll down to find the link for "Real Estate and Personal Property Tax Bills". Choose the desired year to view. Choose the file with the first letter of the property owner's last name as of April 1st. If you are printing a copy of the tax bill, be sure to choose "print current page" or "print selected record" on the printer menu so you don't print the entire file.

Can I pay my taxes online?

Yes. Beginning November 10, 2014, Residents can make credit/debit card payments 24 hours a day, 7 days a week by clicking on the Online Transactions Link found in the "Where Do I Go For" section on the Town's home webpage. Property taxes can be paid with a Visa, MasterCard, Discovery, or American Express card. Payments are processed through Maine PayPort Online, a third party service working in partnership with the Town of Gorham. By using this third party service, your credit card information is processed through a secure site. For any questions regarding this service, please call (207)222-1611.

Maine PayPort will assess a 2.5% service fee for each transaction; however, all transactions that are \$40 or less will only be charged a \$1.00 fee. **PLEASE NOTE:** Overdue taxes may NOT be paid using this service and must be paid at the Town Office.

To pay your bill, you will need the account number located on the last page of your tax bill and a valid credit card. If you are unsure of your account number, or the amount owed, you can call the Town Clerk's Office at (207) 222-1670.

How can I view my property assessment information?

You can access this information by going to the Town's website www.gorham-me.org. From the homepage go to "Town Departments" and then click on "Assessing Department". Scroll down to "Current Property Tax Data (Vision)". Click on the link to view information on property, including assessed value and photo of building(s).

Do I have to apply for the Homestead Exemption or Veterans Exemption every year?

No. Once approved, your Homestead Exemption is in place and will carry over from year to year. If you move, you will have to submit an application for the new property.

Where can I get a burn permit?

Weather permitting; residents are able to obtain burning permits at the Gorham Fire Station during the hours of 8:30am to 4:30pm, Monday through Friday and on Saturday and Sunday from 8:30am to 12:00pm at NO CHARGE. Burn permits are also available at no charge (only during the above listed hours) from the Town of Gorham website at www.burningpermit.com.

Residents may also obtain burning permits from <http://www.maineburnpermit.com> at a fee of \$7.00.

How can I get a Fireworks permit?

You can apply for a fireworks permit by going to www.fireworkspermit.com or go to the links on the Town of Gorham's Web Page or Gorham Fire Departments Web Page. Residents, who are 21 years old and are going to use the fireworks on their own property or have written permission to use some else's property, may apply for a Fire Works permit. If weather allows and the Town is issuing burning permits, those that have applied will have their fireworks permit approved after 09:30 on Saturday morning. No permits will be available after 12:00 noon on Saturdays. Once the permit has been approved, you must print it, sign it and have it with you while using the fireworks. You must be a least 150 feet from any structure.

How can I obtain a passport?

As of May 1, 2011 and until further notice, the Town Clerk's Office will no longer be accepting passport applications due to changes in the Western Hemisphere Travel Initiative. Applications and photos may be processed at the Gorham Post Office.

When will my trash be picked up? What if there is a holiday?

There are several different trash pickup days, depending on where you live. You can look up your area by logging onto the Town website and going to the "Trash and Recycling Information" link from the Public Works Department page. You will also find alternate schedule information as well as other useful information on recycling.

Who do I contact if I come across a stray dog or cat?

You can reach the Animal Control Officer by calling Regional Dispatch at (207) 839-5581.

What do I need to get my car registered?

For **FIRST** time registrations, the person or persons to whom the vehicle is being registered must come in to process the registration. Anyone can re-register a vehicle.

Proof of Insurance from your Insurance Company can be e-mailed to townclerk@gorham.me.us or faxed to 839-5036.

If purchased from a Maine dealer:

- Blue Copy of Title Application
- Bill of Sale
- Lease agreement (If a leased vehicle)
- Proof of Insurance
- Old Registration (if old plates are being used)
- Maroney Label (Window sticker if a brand new vehicle)
- Current Mileage

If purchased in a private sale (Note that sales tax must be paid to Town Office):

- Bill of sale
- Previous owner(s) original title assigned to you on the back by seller or the blue copy of title application from a lending institution
- Lien Release (if needed)
- Proof of Insurance and current mileage

If previously registered out of State:

- Out of State Title or lien holder's address
- Lease agreement (If a leased vehicle)
- Out of State Registration
- Proof of Insurance
- Current Mileage
- Paperwork for Vehicle Re-registration
- Old Registration - Proof of Insurance - Current Mileage

Do you accept credit cards?

The Town of Gorham offers the convenience of accepting credit cards or debit cards for payments. Due to the fees charged to the Town by the Bank to process these transactions, a non-refundable convenience fee will be applied to cardholders who wish to pay via credit card or debit card. The fee will be disclosed at the time of the payment transaction with the option for the cardholder to decline the fee and make the payment via check or cash. A fee of 2.5% of the transaction amount will be charged for any amount over \$40. A \$1.00 minimum will be charged for any transaction amount under \$40.

REPORT OF THE TOWN MANAGER

FY 2018-2019

It is with great pleasure that I am able to provide the Annual Report for the fiscal year beginning July 1, 2018 through June 30, 2019 to the Town of Gorham.

In the fiscal year of 2019, the Town of Gorham's local economy has continued to thrive as it has for the past few years. The Town issued 48 permits for new homes, 12 permits for condominiums and 46 commercial building permits for a total of 106 permits, down from 135 permits issued in the previous year.

The Gorham Husky Line, an express public bus service from the Gorham University of Southern Maine Campus to Portland, started in the late summer of 2018. As a three-year pilot program, the service will allow public transportation to USM Portland with a stop in the Gorham Village.

Work continues on the new Station Square project off of Railroad Avenue, which is expected to open in the fall of 2019. This mixed-use development houses 33 residential apartments, a wine bar, bowling alley, restaurant, as well as numerous other commercial spaces and is expected to be an anchor establishment for the Gorham Village.

Ground breaking for Harvey Performance, a 79,000 square-foot precision manufacturing facility located in the Narragansett Development District also took place early this summer. The facility is expected to come online in 2020 and be the home to over 100 employees.

For Fiscal Year 2018-2019, the Town continued its capital investment program in roads, vehicles and infrastructure. Capital purchases included another ambulance on a replacement schedule (1 of 3), new self-contained breathing apparatus (SCBAs) for the Fire Department, and substantial improvements were made to the heating systems in several of our large facilities. The most significant capital purchase was the acquisition of all street lights in Gorham and their conversion to LEDs, which is expected to save the Town over \$50,000 a year annually on electricity.

Significant state/municipal roadwork in the area continues with the start of construction on Main Street from the Westbrook City Line to Cressey Road here in Gorham. Due to bidding problems at the state level, the project started in early summer of 2019 and isn't expected to be completed until the summer of 2020. The project will include resurfacing of the entire Main Street corridor and will also include work from a separate municipal PACTS project with new

traffic signals on Main Street including intersections at South Street, Elm Street and New Portland Road.

This past year, the Town did not accept any new roads.

Gorham continues to shine as one of the few communities in Maine that received a Certificate of Achievement of Excellence in Financial Reporting from the Government Finance Officers Association for our FY 2019 fiscal year. Gorham has received this award for outstanding financials for the last fourteen years.

Respectfully submitted,

Ephrem Paraschak
Town Manager

ASSESSING DEPARTMENT

The Assessing department, supported by Cumberland County Office of Regional Assessing and one full time Administrative Assistant, assigns and updates tax values on all existing and new tax parcels in Gorham using a computer-based assessing program (Vision), including a geographic information system (GIS) component. This process includes property inspections and technical data entry, sales studies and analysis and changes within the system when appropriate.

Additionally, the Assessing department provides a wide range of property information to real estate professionals and others through the Town of Gorham website, over the telephone, through email and in-person at the Assessing office. Assessing reviews and assigns tax map/lot numbers for newly created lots and subdivisions and frequently works with contractors, other Town of Gorham departments and Emergency-911 agents regarding address issues, including the E-911 mandated naming of driveways. Assessing also processes all property owner transfers, maintains files on each taxable parcel, digitally records deeds and maintains sale price records. Annually, Assessing produces updated tax maps of all real estate tax parcels in Gorham.

Assessing also administers the homestead, veteran and blind property exemptions; special land use designations, including tree growth, farm use, open space; and the personal property BETR and BETE programs that result in tax savings for Gorham property owners and businesses. Assessing provides assistance and question resolution regarding these exemptions and tax reduction programs. Annually, the department compiles a total value for all assessed taxable property and responds to a variety of State of Maine reporting requirements.

** The drop in the tax rate for fiscal year 2016 was the result of a Town-wide value adjustment for all real property tax parcels.

BAXTER MEMORIAL LIBRARY

The Baxter Memorial Library, through the staffing of one Library Director, one Public Services Librarian, one Technical Services Librarian, one Youth Services Librarian, one Administrative Assistant, two Senior Library Assistants - (1 Youth Services & 1 Adult Services), two Library Assistants (1 Youth/Technical Services & 1 Adult Services) and the support of substitute librarians, serves our community as a welcoming and accessible gathering place for information, lifelong learning, and enjoyment. The library strives to foster the exchange of ideas, values, traditions, and conversations. Through its membership in the MINERVA Library Consortium and reciprocal borrowing agreements with area libraries, the Baxter Memorial Library has access to books and resources from over 60 libraries throughout the state. Additionally, our renewed participation in the Cloud Library offers access to thousands of e-books and digital audiobooks.

Fiscal Year	2015	2016	2017	2018	2019
Checkouts	73,578	74,787	76,229	74,427	74,650
Renewals	12,533	11,431	11,723	11,592	11,712
Interlibrary Loans Borrowed (for our patrons)	12,570	13,490	13,449	15,949	15,844
Digital Downloads*	n/a	n/a	n/a	2,301	4,294
Total BML Circulation	98,755	99,871	101,471	104,334	119,977
Interlibrary Loans Lent (to other libraries)	11,484	9,177	11,258	12,614	13,169
Grand Total Circulation	110,239	109,048	112,729	116,948	119,977
Internet Use Sessions [^]	4,332	4,088	3,905	3,685	3,744
Reference Questions	20,297	19,714	20,867	22,099	22,388
New Patrons ⁺	800	1,783	960	837	809
Total Patrons (at end of fiscal year)⁺	7,814	4,585	5,498	6,310	5,636
Program Attendance	7,890	8,152	8,634	10,577	9,411

* We discontinued our subscription to downloadable content in February 2014. This service was reinstated in July 2017.

[^] Internet Use Sessions exclude wireless access which is available at the Baxter Memorial Library 24/7, both inside the library and within a short radius outside. We are currently unable to gather statistics on wireless access but, anecdotally, the decline in logged internet use sessions has been coupled with a continual increase in uncounted mobile sessions.

⁺ Inactive patron records are culled each year. On July 1, 2015, any patron that had not adopted our new library card was removed. This action resulted in both an unusually low Total Patron count and an unusually high New Patron count for FY2016. These numbers are expected to normalize going forward.

CODE ENFORCEMENT OFFICE

The Code Enforcement Department encompasses the plan review and permit issuance of new construction and property reuse and redevelopment. The Department also conducts inspections of all building projects to ensure that the construction is in conformance with issued building permits, Codes and Ordinances. The Code Enforcement Officers provide review, interpretation, inspection and enforcement of the Gorham Land Use and Development Code, the 2015 International Residential Code (IRC), 2015 International Building Code (IBC), 2009 International Energy Conservation Code (IECC), 2017 National Electrical Code (NEC), 2015 Uniform Plumbing Code, 2015 Subsurface Waste Water Code, the 2007 ASHRAE Ventilation and Indoor Air Quality Code, the 2015 International Existing Building Code (IEBC) and the State of Maine Life Safety Code NFPA101. The Code Office further reviews development applications regarding Shoreland Zoning, Flood Plain and applications for appeals to be heard by the Zoning Board of Appeals. The Code Officers perform plan review as members of the Development Review Team and Project Review Group. They also conduct site inspections on minor site plan developments and are compliance officers for Planning Board approved projects. The Code Officers also review applications and issue permits (building, electrical, plumbing, septic system, sign and use permits), conduct inspections pertaining to the aforementioned, assist the public with zoning matters, assessing information (copies, deeds, etc.), investigate complaints and enforce ordinances. They work closely with the Planning and Fire Departments to ensure compliance with related codes and work in conjunction with the State Electrical Inspectors Office, Department of Economic and Community Development and the Maine Department of Environmental Protection (MDEP) to ensure compliance with relevant state and local laws and ordinances.

GORHAM COMMUNITY ACCESS MEDIA

GGETV Channel 1302 (Government/Education) – www.gorham-me.org
GOCAT Channel 1301 (Community Access) – www.gocat.org

Mission Statement:

To be a communication resource for use by the Town and its citizens.

Gorham Community Access Media (GoCAM) staff maintain the broadcast and technical functions for two PEG (Public/Educational/Government) TV stations. Management of streaming video systems and other online video content is also handled by staff. The production studio and office are located at the Gorham Municipal Center.

Channel 1302 – The government and education station records and programs for broadcast of municipal and school meetings as well as information provided by county and state departments. We provide official information pertinent to citizens regarding their government.

Channel 1301 – The community side provides training, equipment and broadcast time to residents wishing to create their own media presentations.

Other Services

Community Outreach - Staff works with citizens, Gorham Business & Civic Exchange, University of Southern Maine, non-profits, and civic organizations to produce local programming. Productions feature guest lecturers, special events, local talk, arts, sports, and informational shows.

Video Archive - GoCAM is the steward of the Town and community video archives. We are presently working on a searchable data base. We continue to add videos that document the history of Gorham in this epoch of time.

Media Support - Other duties that support the Town, School, and Community include: requests for productions both in studio and on location, requests for presentation support with audio/video equipment, designing presentations, video edits, and media duplication.

System Support - Staff maintains 2 “digital signage” systems which provide announcements of programming, local events and services to both of the channels. The video server provides 24 /365 presence on the Spectrum Broadcast System and over the internet. Video signage was also installed at the Municipal Center with monitors in main lobby and the Town Clerks office. We maintain an HD system in the GOCAT studio and a 2nd remote camera HD system for the Town.

Distribution of Content - Online sites where we provide media include www.gorham-me.org, www.gocat.org, Facebook, Vimeo and YouTube. We have added an additional media option with Livestream. This service will allow people using Roku and other streaming devices to see and replay meetings. Our online viewership continues to expand as we disseminate information to citizens that do not subscribe to cable television.

Viewership Statistics

Total views for Community programming delivered through various platforms were as follows:

- YouTube = 3,145
- Town website = 3,947
- Vimeo/Facebook = 5,267

Staff

- 1 full time - Community Access Media Manager
- 1 part time - Media Specialist
- Auxiliary/On call - Videographers/Production Assistants
- Volunteers

The Manager maintains technical operations and repairs for the TV Studio, Council Chambers, and broadcast functions for both channels. Consultation on media systems and installation of equipment is also performed by the manager.

Major Equipment

Our inventory includes digital video and still cameras, Non-Linear Edit Systems, Remote Camera Systems, HD Studio Recording System, and Video Server System. A variety of Apple and PC computers, a selection of production and graphics software, as well as public address systems, video projectors, microphones, audio mixers, and a theatre light system are also available for the citizens and Town.

Updates

Our channel locations - now in the 1300's - were moved from Ch. 2 and Ch.3 in January 2019 by Spectrum Cable Company. This change has created a significant challenge for us as we work to inform citizens of our new location.

The process of renegotiating the cable franchise contract with Spectrum Cable has moved forward. The Committee and staff have completed the requirements needed on behalf of the Town. The survey has been completed and results are available if desired. The next phase of the process is controlled by Spectrum.

There are significant developments coming from the Federal Communication Commission. The FCC is proposing to eliminate franchise fees for towns and cities allowing a huge financial break to cable corporations. If this proposal passes the FCC, it probably will be challenged in court. On the State level there is also a cable bill proposed. One major element of this bill would require Spectrum to finally allow our signal to be broadcasted in HD.

We are in the process of rebranding GoCAT to GoCAM. The change from TV to media reflects our growth in outreach and availability of information from multiple sources.

GORHAM ECONOMIC DEVELOPMENT CORPORATION

The Gorham Economic Development Corporation's (GEDC) focus is to engage in business attraction and retention practices that will allow for the expansion of the business community in Gorham, thereby stabilizing and expanding the tax base and creating jobs for its citizens. While constituted as a stand-alone corporation, it is funded by the Town of Gorham. Staff also participates in special development projects, including managing the Town's revolving loan fund, grant applications and regional planning efforts. The Corporation is staffed by one part time employee and overseen by a nine-member volunteer board of directors, which meets monthly.

In August, the METRO (Greater Portland Transit District) Husky Line launched its new bus service between Portland, Westbrook and Gorham, providing a vital transportation resource to citizens. Additionally, a redesigned GEDC mobile-optimized website was launched to improve the user experience.

Development Activity:

July 1, 2018 – June 30, 2019

10 Businesses Assisted

5 Businesses Attracted

2 Businesses Expanded

Attraction:

New business openings in the 2018/19 fiscal year included Maine Optometry, Bier Cellar, Erin Flett, Flowfold, Inc. and SYNC Gorham.

Retained/Expanded:

Some businesses in the Village expanded their existing operations, including Homestead Senior Care and Cradle Inn Daycare. Cradle Inn Daycare expanded their parking lot.

An exit-interview was conducted with 320 Ink, LLC as they outgrew their facility in the Gorham Industrial Park at 59 Sanford Drive and needed additional space that unfortunately could not be found.

Special Projects:

The GEDC spearheaded the research of electric vehicle charging stations to be installed in Town, with the Greater Portland Council of Government's (GPCOG) insight of the available infrastructure, technology and resources for municipalities.

Significant efforts were made to promote the Town's Revolving Loan Fund as a direct loan program to Gorham businesses to meet financing needs that cannot be met through conventional sources of financing from banks and other financial institutions.

PLANNING DEPARTMENT

The Planning Department provides planning assistance and technical support to the Planning Board, the Administrative Review Committee, the Town Council and the general public. Staff coordinates the review of all proposed land use development applications requiring approval by the Planning Board or the Administrative Review Committee. The Department also oversees special planning projects, the development and adoption of new ordinances and amendments to the Land Use and Development Code, as well as the official Zoning Map of the Town.

During the fiscal year period of July 1, 2018 to June 30, 2019, the Planning Department has processed applications for 28 new developments and amendments to previously approved projects, and 21 applications carried forward from 2018 for a total of 49: 26 have been approved, 1 was withdrawn, and 22 were carried forward for completion in FY 2020. The Planning Board and staff also prepared and/or reviewed 14 zoning text amendments and 2 Contract Zone amendments. One Contract Zone amendment and 6 text amendments were approved by the Town Council, and 8 zoning text amendment are carried forward for completion in FY 2020.

GORHAM POLICE DEPARTMENT

The Gorham Police Department consists of 24 sworn police officers, 2 non-sworn office staff and 1 part time animal control officer. Dispatching services are provided by a contractual agreement with the Cumberland County Regional Communications Center. The Police Department is responsible for enforcing federal, state and local ordinances thereby providing a safe community for its residents and visitors.

The Police Department is responsible for investigating all violations of law, sometimes assisting other law enforcement agencies with their investigations, and either arresting or summoning the violators to appear in court. The officers then prepare detailed investigative reports, reviewing them with the District Attorney's Office in order to prepare for court hearings.

The Police Department partners with the Gorham School Department to provide 2 School Resource Officers who work full time in the schools. These officers provide instruction as well as handle any issues requiring police services.

The Police Department established a Volunteers in Police Services program after partnering with the Cumberland County Sheriff's Department Volunteers in Police Services program for several years. The program utilizes volunteer citizens to assist the Police Department with non-law enforcement activities such as house checks, business checks, area checks, traffic control and general visibility for the Department and V.I.P.S. program.

PUBLIC WORKS DEPARTMENT

The Public Works Department is primarily responsible for the maintenance of approximately 149 miles of roadway in Town. This road maintenance work includes, but is not limited to, the maintenance of pavement (summer and winter), markings and striping, signage, bridges, culverts, ditches, traffic lights, trees, picking up dead animals and trash in the roadway, mowing of grass within the roadway, cleaning of catch basins and street sweeping. In addition to roadway maintenance, Public Works also conducts capital road improvement projects, building, cemetery and facility maintenance, cemetery burials, mowing and trimming of Town grounds, and oversees the curbside collection "Pay-Per-Bag" and recycling program. Public Works, through the Public Works Director, assists with development plan review and construction and coordinates the Town's GIS Program. Public Works also assists every other Town Department and the School System in a variety of capacities when needed.

**PUBLIC WORKS DEPARTMENT
TRANSFER STATION
SOLID WASTE AND RECYCLING**

The Public Works Department (DPW) maintains the two existing closed landfills, including the administration of the required water testing program.

The transfer station is open for grass clippings and leaf drop-off during normal business hours and is open by appointment - noon to 1 p.m. Monday through Thursday for the disposal of motor oil. The transfer station is also open during two Saturdays in the spring and two Saturdays in the fall for brush disposal.

The Pay-Per-Bag curbside program began in July 1, 2002 and includes the collection of solid waste and recyclable materials. In 2015, Ecomaine eliminated the annual assessments to Towns. DPW estimates that approximately 2,660 tons of solid waste and 1,160 tons of recyclables were handled by the curbside collection contractor in FY 2019. 206,500 15-gallon trash bags and 102,750 33-gallon trash bags were sold in FY 2019. In addition, 19,800 tags for 15-gallon trash bags were sold and 8,275 tags for 33-gallon trash bags were sold in FY 2019.

RECREATION DEPARTMENT

The Gorham Recreation Department provides opportunities for activities and experiences that support healthy living and community involvement for people of all ages. The Department offers a wide variety of youth and adult sports programs, family outdoor recreation opportunities including hiking, biking, skiing, canoeing and a host of community special events including concerts, festivals, holiday celebrations and camp activities for grades K-8 on a year-round basis.

TOWN OF GORHAM, MAINE
Balance Sheet
Governmental Funds
June 30, 2019

Reconciliation of the total fund balances - total governmental funds
to the total net position of governmental activities:

Total fund balances - total governmental funds, Statement 3	\$	19,847,358
---	----	------------

Amounts reported for governmental activities in the statement of
net position (Statement 1) are different because:

The deferred charge on the refunding bond in governmental activities is not reported in the funds.		395,965
--	--	---------

Capital assets used in governmental activities are not financial resources and therefore not reported in the funds. More specifically:

Non-depreciable capital assets	4,111,659	
Depreciable capital assets, net	<u>71,920,306</u>	76,031,965

Long-term liabilities are not due and payable in the current period and therefore not reported in the funds:

General obligation bonds	29,043,125	
Bond premium	865,508	
Capital leases	740,278	
Net pension liability, including related deferred inflows and outflows of resources	824,935	
Compensated absences	1,106,550	
Accrued interest payable	190,370	
Net OPEB liability, including related deferred inflows and outflows of resources	<u>6,852,089</u>	(39,622,855)

Unavailable revenues - property taxes not reported on Statement 1		870,100
---	--	---------

Net position of governmental activities	\$	57,522,533
--	-----------	-------------------

See accompanying notes to basic financial statements.

TOWN OF GORHAM, MAINE
Reconciliation of the Statement of Revenues, Expenditures
and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the year ended June 30, 2019

Net change in fund balances - total governmental funds (from Statement 4)	\$	(56,674)
<p>Amounts reported for governmental activities in the statement of activities (Statement 2) are different because:</p>		
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which depreciation expense (\$4,448,596) exceeded capital outlays (\$1,908,789) in the current period.		(2,539,807)
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.		193,300
Bond, note and capital lease proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of bond, note and capital lease principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. Additionally bond premium amortization is only recorded on the statement of activities.		3,444,523
The Town is amortizing the deferred charge on refunding and the issuance premium over the life of the refunding bond.		(83,585)
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in long-term accrued compensated absences.		(21,763)
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in OPEB liability with related deferred inflows and outflows of resources.		3,655
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in accrued bond interest payable.		21,619
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in net pension liability with related deferred inflows and outflows.		749,730
Change in net position of governmental activities (see Statement 2)		\$ 1,710,998

See accompanying notes to basic financial statements.
