STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Dear Maine Resident:

In January, I was privileged to take the Oath of Office to begin my second term as your Governor. I am deeply humbled by the trust the people of Maine have placed in me, and I look forward to continuing to work hard over the next four years to improve the lives and livelihoods of Maine people.

Over the past four years, we have made real progress. We have expanded health care, leading to the largest decline in the uninsured rate of any state in the nation. We fully funded the State's share of public education. We delivered two-years of free community college. We fully restored municipal revenue sharing to five percent. We delivered substantial tax relief, nation-leading inflation relief, and emergency energy relief to help Maine people through difficult times.

Through the Maine Jobs & Recovery Plan, we are strengthening and diversifying our economy. In 2022, our state's gross domestic product – a key measure of economic growth – grew at the 9th fastest rate in the United States. People are moving to Maine at a rate higher than any other New England state, and at one of the highest rates in the nation. We have enacted balanced budgets, and we have built up Maine's "Rainy Day" fund to a record high, preparing our state to continue meeting its commitments in the event of an economic downturn.

While I am proud of the progress we have made, there is more to do, like addressing the housing crisis, the workforce shortage, and the opioid epidemic and strengthening health care, education, and the economy. I know that by working together to tackle these issues head-on, we can improve the lives and livelihoods of Maine people and make Maine the best place to live, work, and raise a family.

Thank you again for the honor to serve you as Governor.

Thank you,

A handwritten signature in blue ink, appearing to read 'Janet Mills'.

LABOR, AND PENSIONS
SELECT COMMITTEE
ON INTELLIGENCE
SPECIAL COMMITTEE
ON AGING

Dear Friends:

It is an honor to represent Maine in the U.S. Senate. I am grateful for the trust that Mainers have placed in me and welcome this opportunity to share some key accomplishments for our state.

Last year, I secured more than \$500 million for 285 projects from Aroostook County to York County that will promote job creation, workforce training, and economic development; expand access to health care; improve public safety, infrastructure, and community resources; and protect our environment. To address the crisis of soaring inflation and high energy prices, I led efforts to provide \$2 billion in supplemental funds to the Low-Income Home Energy Assistance Program. In the new Congress that begins in 2023, I expect to be the Vice Chairman of the Appropriations Committee and will continue to champion investments to support Maine's communities and families.

Strengthening our economy and supporting good jobs remain a top priority. Along with the Governor and the rest of the Maine Delegation and the associations representing the lobster industry, I worked to protect our hardworking lobstermen and women by pausing for six years the onerous federal regulations that jeopardize our lobster fishery's very existence. Another ongoing threat to Maine's small businesses is the shortage of workers. That's why I led an effort to push the Administration to nearly double the number of H-2B visas that are critical to our hospitality industry. Additionally, when the Administration proposed to cut the construction of a destroyer to be built by Bath Iron Works, I restored this funding to protect Maine jobs and our national security.

When Maine Veterans' Homes announced last year that it planned to close its facilities in Caribou and Machias, I opposed that decision which would have had such a devastating effect on rural veterans and their families. I am glad that the decision was reversed, and I have secured \$3 million to help with upgrades to these facilities. My *AUTO for Vets Act* also became law, which will help disabled veterans maintain their independence by supporting the purchase of a new adaptive vehicle once a decade.

This past year, Congress demonstrated how effective it can be on behalf of the American people when both parties work together. A few of the bipartisan achievements that I was involved in include the *Respect for Marriage Act*, which will provide certainty to millions of loving couples in same-sex marriages while protecting religious liberties, and the *Electoral Count Reform Act*, which establishes clear guidelines for our system of certifying and counting electoral votes for President and Vice President.

No one works harder than the people of Maine, and I have honored that work ethic by showing up for every vote. During my Senate service, I have cast more than 8,500 consecutive votes, never having missed one. I remain committed to doing all that I can to address your community's concerns in 2023. If I may be of assistance to you in any way, I encourage you to contact one of my six state offices.

Sincerely,

Susan M. Collins
United States Senator

RULES AND ADMINISTRATION

Dear Friends,

I've often thought that Maine is just one big small town connected by long roads. Well, in the past year or two, those roads have gotten steeper and bumpier as we dealt with an unprecedented pandemic and the resulting economic troubles.

As we faced the historic challenges, something impressive happened. We came together and lent a hand to our neighbors wherever we could to keep things running and spirits high.

Down in Washington, Congress tried to help Maine communities get through this struggle, so that our state would come out stronger. To do that, we put in the work and set some things into motion that are already helping Maine people. That's why you hired us, after all.

The pandemic made something we'd known for a while clear: those roads and networks that connect our big town needed repair, improvements, and expansion – from bridges to broadband. So, while Maine was uniting towards a common purpose, Congress came together to pass the *Bipartisan Infrastructure Law* – legislation that makes generational investments in physical infrastructure, broadband connections, harbors, and the energy grid. These efforts will lay the foundation for Maine's 21st century economy and make sure even the most rural areas aren't left behind.

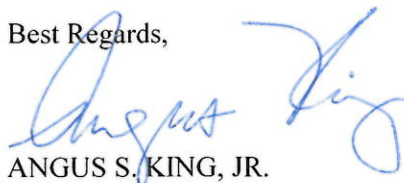

Over the last two years, as we drove up and down our state, you couldn't help but see storefronts in trouble and prices rising as the economy struggled through a global recession. And again, while you focused your efforts on getting through the difficult times, Congress took meaningful action. We passed the *American Rescue Plan* in 2021, which enabled Governor Mills and the state of Maine to better meet the health and economic difficulties of the pandemic. At a critical moment it expanded healthcare efforts to confront COVID and invested in the state to keep the economy in far better shape than most others nationwide.

Congress didn't stop there. This year, we took even more concrete steps to cut costs, create jobs, and provide more affordable, cleaner energy. The bipartisan *CHIPS Act* will bring home the manufacturing of the technical components known as "chips" that are used in everything these days – from smartphones to microwaves to cars – and in doing so reduce prices and create good American jobs. We also passed the *Inflation Reduction Act (IRA)* to lower healthcare costs, allow Medicare to negotiate drug prices, and cut energy bills with new rebates for things like heat pumps and solar panels.

Beyond these major investments, we also passed vital legislation to improve the day-to-day lives of Maine people and Americans nationwide. On a bipartisan basis, we expanded health care for veterans exposed to toxins, strengthened protections for marriage equality, supported Ukraine as it fought off a bloody Russian invasion, secured our elections and the peaceful transfer of power, and delivered millions in federal investments to projects up and down our state.

So, as Maine worked to get through hard times, Congress took steps to support our state – and we're already starting to see brighter days ahead. I'm proud to have played a small part down here; it's a true privilege to listen to you, work with you, and build a brighter future for all the incredible people up and down the roads that connect our big small town. Mary and I wish you a happy, and safe 2023.

Best Regards,

THE MAINE SENATE
130th Legislature

388 Broadturn Road
Scarborough, Maine 04074

Dear Neighbor,

Thank you for the opportunity to represent you in the Maine Senate. It is the honor of a lifetime to serve our community in Augusta.

In January of 2022, lawmakers began the second regular session of the 130th Maine Legislature. Though the pandemic forced us to conduct our committee meetings electronically, our work proceeded without interruption, and I am proud of what we have been able to accomplish.

As chair of the Environment and Natural Resources Committee, I have focused much of my energy toward protecting Mainers from PFAS contamination, also known as “forever chemicals,” and helping those who have been affected. Unfortunately, many of the farms across our state have much higher than acceptable levels of these chemicals, forcing them to stop selling their crops and putting their businesses at risk. Farmers are some of the toughest people in Maine, but they will need our support to combat this crisis and ensure they can stay afloat.

In the Health Coverage, Insurance and Financial Services Committee, on which I also serve as a member, my colleagues and I have continued making progress toward improving the quality of health insurance, increasing transparency in prescription drug pricing, and prohibiting shady practices that hurt consumers.

I’m also proud of the work we have accomplished in other areas, such as providing property tax relief to Maine workers, families, and seniors. This includes but is not limited to the Property Tax Deferral program, which we revived, that allows the state to pay the property taxes of seniors and those with disabilities.

If you ever have an idea, question or need assistance, please do not hesitate to get in touch with me. You can always send me an email at Stacy.Brenner@legislature.maine.gov or call my office at (207) 287-1515.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Stacy Brenner'.

Dear Friends,

I hope this letter finds you well. It is my honor and privilege to serve the people of Maine's First District in Washington, DC, and I appreciate the opportunity to share this annual update with you.

This past year, our state faced unprecedented challenges, mirroring the difficulties experienced by communities across the nation. High inflation rates, a rapidly changing climate, aging infrastructure, and increasing energy costs were among the top concerns I heard while home in the district. Keeping these in mind, I was proud to work with my colleagues in the Maine Delegation to pass historic legislation to bring federal dollars back to our communities.

One of the ways we delivered for Mainers was through the passage of the Inflation Reduction Act (IRA) in August. This law provides much-needed assistance to struggling families. With the help of the IRA, Americans will save an average of \$800 per year on health insurance and Medicare beneficiaries will have increased access to medication.

Additionally, the IRA offers billions of dollars to expand rebate programs for Americans who wish to make their homes more energy efficient. Homeowners can now receive up to a 30 percent tax incentive for the cost of home solar installations and a 30 percent incentive when investing in a heat pump. Over the next decade, these rebates will offer Mainers thousands of dollars in savings while decreasing fuel costs for winters to come.

In 2022, Congress also passed meaningful legislation to help create skilled jobs in the construction, manufacturing, and engineering sectors. The Creating Helpful Incentives to Produce Semiconductors (CHIPS) Act will allow the U.S. to advance its leadership in the development of semiconductors used in the manufacturing of computers, cell phones, cars, and numerous other technologies we rely on. By developing this industry at home, we can bolster our national security and lessen our reliance on foreign technology.

As I look toward this Congress, I am excited to work with my colleagues on both sides of the aisle to improve the lives of Maine people. It is critically important that we continue to take action to increase job growth, decrease inflation, take measures to promote our national security and invest in our health care and education systems.

Each year my office receives over 40,000 calls, letters, and emails from Mainers. I recognize the tremendous trust you place in having me represent you in Washington and by sharing your stories, thoughts, and concerns. Please rest assured, I will continue to fight for the interests of Mainers in Congress, and my staff and I will do everything we can to ensure your needs are met.

Sincerely,

Chellie Pingree

HOUSE OF REPRESENTATIVES
2 STATE HOUSE STATION
AUGUSTA, MAINE 04333-0002
(207) 287-1400
TTY: MAINE RELAY 711

Dear Gorham Neighbors:

It is an honor to serve you in the Maine House of Representatives. We are proud to be your advocates in Augusta, and we are looking forward to continuing to work alongside our colleagues to find thoughtful solutions for the many challenges facing our communities and our state.

As we write this, the Legislature has wrapped up the first session of the 131st Legislature. We were able to deliver big victories for the people of Maine. Our most significant priority was the creation of a balanced two-year state budget, which will play a critical role in shaping the direction of our state in the near future. This historic budget invests in our working families and addresses some of our state's most pressing challenges, including providing property tax relief and addressing the child care shortage. We also made history this year by funding the state's first paid family and medical leave program, ensuring that Mainers will no longer have to choose between a paycheck and caring for themselves or a loved one in need.

This year, Rep. Terry continues to serve as House majority leader where she helps the caucus pursue its goals on behalf of the people of Maine. One bill that she introduced this session to create a fully refundable state child tax credit has become law. This measure expands the tax credits available for parents and other households with dependents, lifting thousands of families out of poverty and ending hunger for so many Maine children.

Rep. Boyle continues to serve on the Legislature's Energy, Utilities and Technology Committee, which works on legislation to increase clean energy production, improve our state's utilities and lower costs for ratepayers. In addition to this work, Rep. Boyle successfully introduced three bills this session, which have become law. One bill will help to ensure that the state makes timely decisions regarding building and project permits. Another seeks to address municipal solid waste incineration and helps to set the state on a path to finding a sustainable solution for dealing with solid waste costs to consumers and communities. The third will require commercial-scale battery storage projects to have a decommissioning plan so that the cost of dealing with these projects' end-of-life is not borne entirely by local taxpayers and municipalities.

More work is needed on these issues and others, and we are committed to continuing these efforts in the upcoming session.

Please contact us if we can be of any assistance or if you would like to discuss or testify on any legislation. Rep. Terry can be reached at Maureen.Terry@legislature.maine.gov or by phone at 207-712-9735. Rep. Boyle can be reached at James.Boyle@legislature.maine.gov or by phone at 207-756-2928. We also send out periodic email newsletters. Please let us know if you would like to receive them.

Respectfully,

FREQUENTLY ASKED QUESTIONS

What types of services are available online?

www.gorham-me.org

Many services that are available at the Municipal Center are also available online. From the Town's Homepage, click on one of the "Where do I go for" links to:

Re-Register vehicle	Re-Register ATV, Snowmobile, Boat, Trailer
Register dog (between Oct. 15 – Jan. 31)	Obtain a Hunting or Fishing License
Obtain a Burn Permit	Register for a Recreation Program
Reserve or Renew your Library book	Obtain Tax information and print Tax Maps
Search the Library's catalog	Download and print Building Permit Applications
Access Interactive GIS maps	Apply for Code Permits
Pay Property Taxes (current taxes)	View Meeting Videos

* This is not a complete list of the services the Town offers. Please visit the Town's website for a complete listing.

The Town of Gorham also offers an online mapping application. The WebGIS is an interactive map that runs in a web browser and provides the public with geographic data not previously accessible. Some of the data that is available includes: road centerlines, property lot lines, zoning, utilities (Sewer & Water), floodplains (Current and new Proposed FEMA Maps), and much more. To view the Interactive GIS Maps, click on the "Maps" link from the vertical blue menu on the Town's homepage.

When are my taxes due?

Taxes are always due November 15th and May 15th. The Town Council will change the interest accrual date if the tax date falls on a weekend.

How can I view my property tax bills?

Access this information by going to the Town's website www.gorham-me.org. From the homepage, go to "Departments" and then click on "Assessing Office". Scroll down to find the link for "Real Estate and Personal Property Tax Bills". Choose the desired year to view. Choose the file with the first letter of the property owner's last name as of April 1st. If you are printing a copy of the tax bill, be sure to choose "print current page" or "print selected record" on the printer menu so you don't print the entire file. Please note: there will not be a tax bill if the tax due is zero which can happen if the exemptions was more than the taxes or prepayments.

Can I pay my taxes online?

Yes. Beginning November 10, 2014, Residents can make credit/debit card payments 24 hours a day, 7 days a week by clicking on the Online Transactions link found in the vertical blue menu on the Town's home webpage. Property taxes can be paid with a Visa, MasterCard, Discovery, or American Express card. Payments are processed through Maine PayPort Online, a third party service working in partnership with the Town of Gorham. By using this third party service, your credit card information is processed through a secure site. For any questions regarding this service, please call (207) 222-1611.

FREQUENTLY ASKED QUESTIONS

Maine PayPort will assess a 2.5% service fee for each transaction; however, all transactions that are \$40 or less will only be charged a \$1.00 fee. **PLEASE NOTE:** Overdue taxes may NOT be paid using this service and must be paid at the Town Office.

To pay your bill, you will need the account number located on the last page of your tax bill and a valid credit card. If you are unsure of your account number, or the amount owed, you can call the Town Clerk's Office at (207) 222-1670.

How can I view my property assessment information?

You can access this information by going to the Town's website www.gorham-me.org. From the homepage go to "Departments" and then click on "Assessing Office". Scroll down to "Current Property Tax Data (Vision)". Click on the link to view information on property, including assessed value and photo of building(s).

Do I have to apply for the Homestead Exemption or Veterans Exemption every year?

No. Once approved, your Homestead Exemption is in place and will carry over from year to year. If you move, you will have to submit an application for the new property.

Where can I get a burn permit?

Weather permitting; residents are able to obtain burning permits at the Gorham Fire Station during the hours of 8:30am to 4:30pm, Monday through Friday and on Saturday and Sunday from 8:30am to 12:00pm at NO CHARGE. Burn permits are also available at no charge (only during the above listed hours) from the Town of Gorham website at www.burningpermit.com.

Residents may also obtain burning permits from <http://www.maineburnpermit.com> at a fee of \$7.00.

How can I get a Fireworks permit?

You can apply for a fireworks permit by going to www.fireworkspermit.com or go to the links on the Town of Gorham's Web Page or Gorham Fire Departments Web Page. Residents, who are 21 years old and are going to use the fireworks on their own property or have written permission to use some else's property, may apply for a Fire Works permit. If weather allows and the Town is issuing burning permits, those that have applied will have their fireworks permit approved after 09:30 on Saturday morning. No permits will be available after 12:00 noon on Saturdays. Once the permit has been approved, you must print it, sign it and have it with you while using the fireworks. You must be a least 150 feet from any structure.

How can I obtain a passport?

As of May 1, 2011 and until further notice, the Town Clerk's Office will no longer be accepting passport applications due to changes in the Western Hemisphere Travel Initiative. Applications and photos may be processed at the Gorham Post Office.

FREQUENTLY ASKED QUESTIONS

When will my trash be picked up? What if there is a holiday?

There are several different trash pickup days, depending on where you live. You can look up your area by logging onto the Town website and going to the “Trash and Recycling” link from the Public Works Department page. You will also find alternate schedule information as well as other useful information on recycling.

Who do I contact if I come across a stray dog or cat?

You can reach the Animal Control Officer by calling Regional Dispatch at (207) 839-5581.

What do I need to get my car registered?

For **FIRST** time registrations, the person or persons to whom the vehicle is being registered must come in to process the registration. Anyone can re-register a vehicle.

Proof of Insurance from your Insurance Company can be e-mailed to lnordfors@gorham.me.us or faxed to 839-5036.

If purchased from a Maine dealer:

- Blue Copy of Title Application
- Bill of Sale
- Lease agreement (If a leased vehicle)
- Proof of Insurance
- Old Registration (if old plates are being used)
- Maroney Label (Window sticker if a brand new vehicle)
- Current Mileage

If purchased in a private sale (Note that sales tax must be paid to Town Office):

- Bill of sale
- Previous owner(s) original title assigned to you on the back by seller or the blue copy of title application from a lending institution
- Lien Release (if needed)
- Proof of Insurance and current mileage
- **If previously registered out of State:**
- Out of State Title or lien holder’s address
- Lease agreement (If a leased vehicle)
- Out of State Registration
- Proof of Insurance
- Current Mileage
- Paperwork for Vehicle Re-registration
- Old Registration - Proof of Insurance - Current Mileage

FREQUENTLY ASKED QUESTIONS

Do you accept credit cards?

The Town of Gorham offers the convenience of accepting credit cards or debit cards for payments. Due to the fees charged to the Town by the Bank to process these transactions, a non-refundable convenience fee will be applied to cardholders who wish to pay via credit card or debit card. The fee will be disclosed at the time of the payment transaction with the option for the cardholder to decline the fee and make the payment via check or cash. A fee of 2.5% of the transaction amount will be charged for any amount over \$40. A \$1.00 minimum will be charged for any transaction amount under \$40.

REPORT OF THE TOWN MANAGER

To the Citizens of Gorham:

It is my pleasure to present a report for the fiscal year ending June 30, 2022 for the Town of Gorham.

Fiscal year 2022 has been a challenging yet exciting year for Gorham. Exiting the pandemic, Gorham, like many other communities in the area, has been experiencing demand for explosive growth and new development. In an ongoing effort to embrace this growth in a responsible and forward-thinking manner, the Town Council adopted a growth management ordinance to limit residential development while promoting the bulk of this development towards the Town's growth areas. The Town issued 30 permits for new homes, 48 permits for condominiums and 39 commercial building permits for a total of 117 permits, up from 88 permits issued in the previous year.

Work continues on Gorham's new Industrial Park West, a 140-acre industrial complex adjacent to the Town's current industrial park. Local permitting and design is complete with state environmental approval expected later this year. The park also received a significant boost with the award of a \$1 million congressional earmark grant from the hard work of town staff and with the assistance of Senator King's office. This funding, in addition to local funds and public private partnerships is expected to cover the costs of construction and utility improvements while bringing many new businesses into Gorham.

Gorham also received \$2.9 million in American Rescue Plan Act funding from the federal government. The funds have and will be allocated by the Gorham Town Council for one-time projects in the Gorham community to include recreation projects, equipment for our first responders and investments into our existing facilities.

In addition to the routine capital equipment purchases and road projects the Town was able to leverage grant programs and public private partnerships for various community projects in FY22. The Gorham Skate Park, currently under construction and set to open this fall, is being made possible through recreation impact fees, private donations and public support. Gorham also started work on major sidewalk extensions to connect to the northern side of the high school on Narragansett Street, and pedestrian crossing signals and sidewalks in the Little Falls Village, both completed by leveraging grant funding applied for by town staff.

Work continues on a townwide revaluation, which is expected to be completed in the very near future; Gorham has not completed a townwide revaluation in over 10 years. The purpose of the revaluation is to identify the fair value of a property so that tax assessments are fair and equitable across the board.

Gorham is one of the few communities in Maine that received a Certificate of Achievement of Excellence in Financial Reporting from the Government Finance Officers Association for our FY 2022 fiscal year. Gorham has received this award for outstanding financials for the last 17 years, which requires an outstanding level of staff dedication and professionalism to obtain.

Lastly, I want to thank the volunteers and staff of the Town of Gorham for their devotion in making Gorham the wonderful place that it is today. Without the commitment of these individuals, all of the projects, townwide improvements and professional services offered to the community would not be possible.

Respectfully submitted,

Ephrem Paraschak
Town Manager

Gorham Village
GoCAM, 2020

ASSESSING DEPARTMENT

The Assessing department, supported by Cumberland County Office of Regional Assessing and one full time Administrative Assistant, assigns and updates tax values on all existing and new tax parcels in Gorham using a computer-based assessing program (Vision), including a geographic information system (GIS) component. This process includes property inspections and technical data entry, sales studies, analysis, and changes within the system when appropriate.

Additionally, the Assessing department provides a wide range of property information to real estate professionals and others through the Town of Gorham website, over the telephone, through email and in-person at the Assessing office. Assessing reviews and assigns tax map/lot numbers for newly created lots and subdivisions and frequently works with contractors, other Town of Gorham departments and Emergency-911 agents regarding address issues, including the Emergency-911 mandated naming of driveways. Assessing also processes all property owner transfers, maintains files on each taxable parcel, digitally records deeds and maintains sale price records. Annually, Assessing produces updated tax maps of all real estate tax parcels in Gorham.

Assessing also administers the homestead, veteran and blind property exemptions; special land use designations, including tree growth, farm use, open space; and the personal property BETR and BETE programs that result in tax savings for Gorham property owners and businesses. Assessing provides assistance and question resolution regarding these exemptions and tax reduction programs. Annually, the department compiles a total value for all assessed taxable property and responds to a variety of State of Maine reporting requirements.

** The drop in the tax rate for fiscal year 2016 was the result of a Town-wide value adjustment for all real property tax parcels.

BAXTER MEMORIAL LIBRARY

The Baxter Memorial Library serves our community as a welcoming and accessible gathering place for information, lifelong learning, and enjoyment. The library strives to foster the exchange of ideas, values, traditions, and conversations. Through its membership in the MINERVA Library Consortium and reciprocal borrowing agreements with area libraries, the Baxter Memorial Library has access to books and resources from over 60 libraries throughout the state. Additionally, our renewed participation in the Cloud Library offers access to thousands of e-books and digital audiobooks.

Fiscal Year	2018	2019	2020[#]	2021	2022
Checkouts	74,427	74,650	55,989	51,075	62,673

New Patrons	837	809	544	434	714
Total Patrons (at end of fiscal year)	6,310	5,636	6,180	6,614	7,328
Program Attendance	10,577	9,411	10,840	3,531	5,435

* We discontinued our subscription to downloadable content in February 2014. This service was reinstated in July 2017.

[^] Internet Use Sessions exclude wireless access which is available at the Baxter Memorial Library 24/7, both inside the library and within a short radius outside. We are currently unable to gather statistics on wireless access but, anecdotally, the decline in logged internet use sessions has been coupled with a continual increase in uncounted mobile sessions.

[#] The library was closed to the public from March 16, 2020 until June 1 due to the Covid-19 pandemic. We reopened with limited access for the month of June. This resulted in both a drop in physical/overall circulation and an increase in digital downloads. Similarly, in-house programming and computer usage stats have remained low through FY21 due to Covid-related restrictions.

CODE ENFORCEMENT DIVISION

The Code Enforcement division encompasses the plan review and permit issuance of new construction and property reuse and redevelopment. The Division also conducts inspections of all building projects to ensure that the construction is in conformance with issued building permits, Codes and Ordinances.

The Code Enforcement Officers provide review, interpretation, inspection, and enforcement of the following codes and regulations:

- Gorham Land Use and Development Code
- 2015 International Residential Code (IRC)
- 2015 International Building Code (IBC)
- 2015 International Energy Conservation Code (IECC)
- 2020 National Electrical Code (NEC)
- 2021 Uniform Plumbing Code
- 2015 Subsurface Waste Water Code
- 2016 ASHRAE Ventilation and Indoor Air Quality Code
- 2015 International Existing Building Code (IEBC)
- NFPA State of Maine Life Safety Code

The Code Office further reviews development applications regarding Shoreland Zoning, Flood Plain, and applications for appeals to be heard by the Zoning Board of Appeals. The Code Officers perform plan review as members of the Development Review Team and Project Review Group. They also conduct site inspections on minor site plan developments and are compliance officers for Planning Board approved projects. Additionally, the Code Officers review applications and issue permits (building, electrical, plumbing, septic system, sign and use permits), conduct inspections pertaining to the aforementioned, assist the public with zoning matters, assessing information (copies, deeds, etc.), investigate complaints, and enforce ordinances. They work closely with the Planning and Fire Departments to ensure compliance with related codes and work in conjunction with the State Electrical Inspectors Office, Department of Economic and Community Development, and the Maine Department of Environmental Protection (MDEP) to ensure compliance with relevant state and local laws and ordinances.

ECONOMIC DEVELOPMENT DIVISION

The Division of Economic Development's focus is to engage in business attraction and retention practices that will allow for the expansion of the business community in Gorham, thereby stabilizing and expanding the tax base and creating jobs for its citizens. Staff also participates in special development projects, including managing the Town's revolving loan fund, grant applications, and regional planning efforts. The Division is staffed by one full-time employee and reports to the Director of Community & Economic Development. The Economic Development Director also works closely with the Gorham Economic Development Corporation (GEDC), a nine-member volunteer board of directors that meets monthly.

FY21-22 saw a return to more consistent direct engagement with the Gorham business community, as the region emerged from the first year of the COVID-19 pandemic. Town staff met regularly with business leaders to identify areas of need and opportunities for growth that could benefit from Town support. In addition, Town staff pursued funding opportunities to support critical infrastructure needs related to the Gorham Industrial Park expansion project. Collaboration work with engineering consultants and commercial brokers on the project helped to advance the project through the permitting and marketing phases.

In July 2021, the Gorham Economic Development Corporation (GEDC) convened a facilitator-led discussion to identify priority areas as a focus for the coming year. The priority areas identified were promoting Gorham as a business destination; business recruitment and retention services; and village revitalization and enhancement programs. This served as the first step in identifying focus areas for the group, along with specific measurable goals for accomplishing each objective.

FY22 Highlights (7/1/22 – 6/30/22)

Federal Earmark Funding

The Town was awarded \$1,000,000 in federal FY22 Congressionally Directed Spending funds towards Phase 1 construction of Gorham Industrial Park – West Campus expansion project (Sponsor: Sen. Angus King). The total cost of the road construction project was estimated at \$5.4 million.

Gorham Industrial Park – West Campus expansion project

The Gorham Industrial Park – West Campus expansion project advanced to the permitting phase of development. The Town submitted applications to Maine Department of Environmental Protection (DEP) and Army Corps of Engineers for relevant site development permits on the southern parcel for the new subdivision. Five (5) commercial lots were listed for sale in April 2022, with three (3) lots entering into agreement with interested buyers.

ECONOMIC DEVELOPMENT DIVISION

Business Expansion & Retention

Gorham celebrated the opening of several new businesses in the Village Downtown and Little Falls Village. From health/wellness services and daycare programs to family-run eateries and Maine-based retail, Gorham welcomed an array of businesses that brought attention and new visitors to our commercial centers.

Revolving Loan Fund program

The Revolving Loan fund continued to play a vital role in providing a valuable resource to new and existing businesses operating in Gorham. Five (5) new loans were issued to Gorham businesses, ranging in size from \$5,000 to \$150,000. A total of \$186,020 in new loan funds were issued in FY22. As of 6/30/22, there were fourteen (14) active loans with a total balance of \$584,729. The Town has not experienced a default on any loan since the program's inception.

Promoting Gorham as an attractive location for new businesses

In an effort to raise Gorham's profile as a commercial destination within the Greater Portland Area, the Town invested in exhibition and promotional materials to be used at regional conferences and other public events. Large promotional banners were developed for use at the MEREDA 2022 Forecast Conference (Portland) and Build Maine Conference (Skowhegan). In addition, an eight-page promotional insert advertisement was included in the November 2021 MaineBiz publication (37,000+ readers), and has been regularly shared with prospective developers and businesses.

FIRE/RESCUE DEPARTMENT

The Gorham Fire/Rescue Department, provides the following services to our citizens through 10 full time personnel, two Administrative Assistants, one Fire Chief, one Deputy Fire Chief, two Call Deputies, one part time Fire Inspector and 100 call company members: Fire Suppression, Emergency Medical Services at the Paramedic level, Hazardous Materials and Weapons of Mass Destruction response, Confined Space Rescue, Water Rescue, Extrication, Fire Prevention and Education, Code Enforcement and Inspections of all Fire Codes and Plan review.

GORHAM COMMUNITY ACCESS MEDIA

GGETV Channel 1302 (Government/Education) – www.gorham-me.org

GOCAT Channel 1301 (Community Access) – www.gocat.org

Mission Statement:

To be a communication resource for use by the Town and its citizens.

Gorham Access staff maintains the broadcast and technical functions for two PEG (Public/Educational/Government) TV stations. Management of streaming video system and other on-line video content is also handled by staff. Production studio and office is located at the Gorham Municipal Center.

Channel 3 - The government and education station records and programs for broadcast of municipal and school meetings as well as information provided by county and state departments. We provide official information pertinent to citizens regarding their government.

Channel 2 - The community side provides training, equipment and broadcast time to residents wishing to create their own media presentations.

Other Services

Community Outreach - Staff works with citizens, Gorham Business & Civic Exchange, University of Southern Maine, non-profits, and civic organizations to produce local programming. Productions feature guest lecturers, special events, local talk, arts, sports and informational shows.

Video Archive - Gorham Access is the steward of the Town and community video archives. We are presently working on a searchable data base. We continue to add videos that document the history of Gorham in this epoch of time.

Media Support - Other duties that support the Town, School and Community include: requests for productions both in studio and on location, requests for presentation support with audio/video equipment, designing presentations, video edits and media duplication.

System Support - Staff maintains two “digital signage” systems, which provide announcements of programming, local events and services to both channels. The video server provides 24/365 presence on the Spectrum Broadcast System and over the internet. Video signage was also installed at the Municipal Center with monitors in the main lobby and the Town Clerk’s Office. We maintain an HD system in the GoCAM studio, a second remote camera HD system for the Council Chambers, and a remote camera HD system for Conference Room A.

Distribution of content - Online sites where we provide media include: www.gorham-me.org, www.gocat.org, Facebook, Vimeo and YouTube. We added an additional media option with Livestream, which will allow Roku and other streaming device users to see and replay meetings. Our online viewership continues to expand as we disseminate information to citizens that do not subscribe to cable television.

GORHAM COMMUNITY ACCESS MEDIA

Staff

- 1 full time – Community Access Media Manager
- 1 part time - Media Specialist
- Auxiliary/On-call – Videographers/Production Assistants
- Volunteers

The Manager maintains technical operations and repairs for the TV Studio, Council Chambers, and broadcast functions for both channels. Consultation on media systems and installation of equipment is also performed by the manager.

Major Equipment

Our inventory includes digital video and still cameras, video drone, Non-Linear Edit Systems, Remote Camera Systems, HD Studio Recording System, and Video Server System. A variety of Apple and PC computers, a selection of production and graphics software, as well as public address systems, video projectors, microphones, audio mixers, and theatre light system are also available for the citizens and Town.

Updates:

- ✓ There are multiple legal challenges in play from the State of Maine and at the national level due to recent rulings by the Federal Communications Administration. Spectrum and other cable companies are specifically targeting the funding of PEG channels. At the moment, Spectrum has paused any new agreements, including Gorham's. When the verdicts come in on these challenges, we will be able to start negotiations with Spectrum. GoCAM Staff have completed their requirements in the process, which included reports, a survey and analysis of the present cable system.
- ✓ Gorham streams live video from the Town's website using an outside service. Gorham bought the hardware and the service hosts our video stream. The unit we use is older, but the company is still willing to support it as a legacy platform. Presently Adobe Flash is still in use on Gorham's stream page. This format will no longer be supported after December 31, 2020, and a player update will be made by the provider. Gorham isn't required to do anything in this change. The Flash Viewer interface will be removed.

PLANNING DIVISION

The Planning Division provides planning assistance and technical support to the Planning Board, the Administrative Review Committee, the Town Council and the general public. The staff coordinates the review of all proposed land use development applications requiring approval by the Planning Board or the Administrative Review Committee. The Division also oversees special planning projects, the development and adoption of new ordinances and amendments to the Land Use and Development Code, as well as the official Zoning Map of the Town.

During the fiscal year period of July 1, 2021 to June 30, 2022, the Planning Division has processed applications for 22 new developments and amendments to previously approved projects, and 16 applications carried forward from 2021 for a total of 38: 9 have been approved, 1 was withdrawn, and 28 are carried forward for completion in FY 2023. The Planning Board and staff also prepared and/or reviewed 17 zoning text amendments and zero Contract Zone amendments. Zero Contract Zone amendments and 12 text amendments were approved by the Town Council. Zero Contract Zone Amendment and 5 zoning text amendments are carried forward for completion in FY 2022.

GORHAM POLICE DEPARTMENT

The Gorham Police Department consists of 26 sworn full time police officers, 2 sworn part time police officers, 2 non-sworn administrative staff, 1 part-time animal control officer. Dispatching services are provided by a contractual agreement with the Cumberland County Regional Communications Center.

The Department is responsible for enforcing federal, state and local laws and ordinances thereby providing a safe community for its residents and visitors. The Police Department is responsible for investigating all violations of law, sometimes assisting other law enforcement agencies with their investigations, and either arresting or summoning the violators to appear in court. The officers then prepare detailed investigative reports, reviewing them with the District Attorney's Office in order to prepare for court hearings.

The officers then prepare detailed investigative reports, reviewing them with the District Attorney's Office in order to prepare for court hearings.

The Department partners with the Gorham School Department to provide 3 School Resource Officers who work full-time in the schools. These officers provide instruction as well as handle any issues requiring police services. This partnership has proven over the years to be a valuable resource to both the School Department and Police Department. It has enhanced the Police Department's relationships with both the faculty and student body within the School Department.

The Department established a Volunteers in Police Services program four years ago after partnering with the Cumberland County Sheriff's Department Volunteers in Police Services program for several years. The program utilizes volunteer citizens to assist the Police Department with non-law enforcement activities such as house checks, business checks, area checks, traffic control and general visibility for the Department and V.I.P.S. program.

The Department continues to hold a local Citizens Police Academy annually. This program is a great success. It has been a positive experience for both the participants and the members of the Gorham Police Department. It also serves as a feeder program for the V.I.P.S. program.

The Department established an Explorer Program in 2022. This program is affiliated with the Boy Scouts of America. This program is for young people that are interested in learning about law enforcement between the ages of 14 and 21 years of age. We currently have eight members in the Gorham Police Department Explorer Post 0270.

The Department also partners with the Westbrook and Windham Police Departments with a TRIAD program that works with our senior population to help address issues that they have identified as concerns for them, as well as providing a forum for interactive socialization amongst the senior population that participates in the program from all three communities.

The Department also participates in several other community programs such as Camp 911, Camp Postcard, Coffee with the Chief and an Autism / Dementia Awareness Program.

For the fourth consecutive year, Gorham made the **Top Ten (10) Safest Community** list in Maine.

Non Reportable Accidents: 21

PUBLIC WORKS DEPARTMENT

The Public Works Department is primarily responsible for the maintenance of approximately 149 miles of roadway in Town. This road maintenance work includes, but is not limited to, the maintenance of pavement (summer and winter), markings and striping, signage, bridges, culverts, ditches, traffic lights, trees, picking up dead animals and trash in the roadway, mowing of grass within the roadway, cleaning of catch basins and street sweeping. In addition to roadway maintenance, Public Works also conducts capital road improvement projects, building, cemetery and facility maintenance, cemetery burials, mowing and trimming of Town grounds, and oversees the curbside collection “Pay As You Throw” and recycling program. Public Works, through the Public Works Director, assists with development plan review and construction and coordinates the Town’s GIS Program. Public Works also assists every other Town Department and the School System in a variety of capacities when needed. The Department also manages the Town’s MS4 Stormwater Compliance program.

PUBLIC WORKS DEPARTMENT TRANSFER STATION, SOLID WASTE & RECYCLING

The Public Works Department maintains the two existing closed landfills, including the administration of the required water testing program.

The transfer station is open for grass clippings and leaf drop-off during normal business hours and is open by appointment for disposal of motor oil. The Public Works Department is also open during two Saturdays in the spring and two Saturdays in the fall for brush disposal.

The Pay-As-You-Throw curbside program began on July 1, 2002 and includes the collection of solid waste and recyclable materials by the Town's contractor. In 2015, Ecomaine eliminated the annual assessments to Towns.

DPW estimates that approximately 2859.77 tons of solid waste and 1344.50 tons of recyclables were handled by the curbside contractor in FY23 and approximately 2,880.59 tons of solid waste and 1,357.66 tons of recyclables were handled by the curbside collection contractor in FY 2022.

257,250 tags for 15 gallon bags were sold and 112,000 tags for 33 gallon bags were sold in FY 2023. 260,750 tags for 15 gallon bags were sold and 110,250 tags for 33 gallon bags were sold in FY 2022. The Town transitioned completely from trash bags to trash tags in December 2020.

TOWN OF GORHAM, MAINE
Balance Sheet
Governmental Funds
June 30, 2022

Reconciliation of the total fund balances - total governmental funds
to the total net position of governmental activities:

Total fund balances - total governmental funds, Statement 3 \$ 31,223,612

Amounts reported for governmental activities in the statement of
net position (Statement 1) are different because:

The deferred charge on the refunding bond in governmental
activities is not reported in the funds. 145,210

Capital assets used in governmental activities are not financial
resources and therefore not reported in the funds. More
specifically:

Non-depreciable capital assets	11,547,642	
Depreciable capital assets, net	67,064,175	78,611,817

Long-term liabilities are not due and payable in the current period
and therefore not reported in the funds:

General obligation bonds	30,900,000	
Bond premium	637,262	
Finance purchases	1,761,491	
Net pension liability, including related deferred inflows and outflows of resources	199,303	
Compensated absences	1,233,505	
Accrued interest payable	181,711	
OPEB liabilities, including related deferred inflows and outflows of resources	6,607,762	(41,521,034)

Unavailable revenues - property taxes not reported on Statement 1		663,000
--	--	---------

Net position of governmental activities		\$ 69,122,605
--	--	----------------------

See accompanying notes to basic financial statements.

TOWN OF GORHAM, MAINE

Fund balances (deficit), end of year	\$ 21,693,547	(795,476)	114,636	10,210,905	31,223,612

See accompanying notes to basic financial statements.

TOWN OF GORHAM, MAINE
Reconciliation of the Statement of Revenues, Expenditures,
and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the year ended June 30, 2022

Net change in fund balances - total governmental funds (from Statement 4)	\$	70,737
<p>Amounts reported for governmental activities in the statement of activities (Statement 2) are different because:</p>		
<p style="padding-left: 40px;">Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense.</p>		
Capital asset acquisitions		5,733,530
Depreciation expense		(4,679,406)
		1,054,124
<p>Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.</p>		
		(82,000)
<p>Bond, note and finance purchase proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of bond, note and finance purchases principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. Additionally bond premium amortization is only recorded on the statement of activities.</p>		
		4,783,497
<p>The Town is amortizing the deferred charge on refunding and the issuance premium over the life of the refunding bond.</p>		
		(83,585)
<p>Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in long-term accrued compensated absences.</p>		
		90,963
<p>Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in OPEB liability with related deferred inflows and outflows of resources.</p>		
		(160,014)
<p>Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in accrued bond interest payable.</p>		
		29,516
<p>Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in net pension liability with related deferred inflows and outflows.</p>		
		331,863
Change in net position of governmental activities (see Statement 2)		\$ 6,035,101

See accompanying notes to basic financial statements.
