### AGENDA SCHEDULING INFORMATION:

The Planning Board meets regularly on the first Monday of each month unless the date falls on a holiday, in which case the meeting is held on the second Monday of the month. The Board may also hold a second meeting in the month if it is unable to hear all of the agenda items scheduled on the night of the first meeting.

The deadline for the submission of new or revised applications and plans does not automatically guarantee that an application will be heard on the next Planning Board Agenda. Applicants are encouraged to make sure their applications are complete and to submit as early as possible.

For more information please call the Planning Department at 207-222-1620.
