

GORHAM FIRE / RESCUE
JUNIOR PARENTAL / GUARDIAN PERMISSION

Applicants Name: _____ Date of Birth: _____

I understand that there is a Volunteer Firefighter’s Blanket Accident Policy maintained in force, as well as the normal coverage from Workers Compensation that provides coverage for Junior Members. The blanket coverage policy specifically directs coverage, “while actually on-duty under the direct supervision of the Fire Chief or other authorized official of the organization.”

As guardian of the minor mentioned above, I waive any claim for liability for injuries sustained in excess of any of those benefits as provided for in the Blanket Accident Policy and Workers Compensation described above.

Since students must maintain passing grades in school to stay on the Junior Fire/Rescue Department, we would like to utilize this permission slip as approval from you to periodically contact the school that your child is enrolled. This will give our Officers and Junior Advisor permission to verify the student’s grades, progress and overall status.

When a new member joins the Junior Fire or Rescue Department, it is explained to him/her that school work comes first. By keeping the lines of communication open between the department, the school and parents, we feel it will help in the student to be successful in both areas. If a problem should arise, we would all be able to work together to assist the student in resolving the problem/s.

If you have any questions or concerns pertaining to this permission slip, please feel free to contact the office at your earliest convenience.

Thank you for your support of our Junior Fire/Rescue Department.

Sincerely,

Robert S. Lefebvre, Chief
