FREQUENTLY ASKED QUESTIONS

When are my taxes due?

Taxes are normally due November 15th and May 15th. The Town Council may occasionally change these dates if they fall on a weekend.

How can I view my property tax bills?

You can access this information by going to the Town's website www.gorham-me.org. From the homepage go to "Town Departments" and then click on "Assessing Department". Scroll down to "Copies of Real Estate Tax Bills".

How can I view my property assessment information?

You can access this information by going to the Town's website www.gorham-me.org. From the homepage go to "Town Departments" and then click on "Assessing Department". Scroll down to "Current Property Tax Data (Vision)". Click on the link to view information on property, including assessed value and photo of building(s).

Do I have to apply for the Homestead Exemption or Veterans Exemption every year?

No. Once approved, your Homestead Exemption is in place and will carry over from year to year.

Where can I get a burn permit?

Weather permitting; residents are able to obtain burning permits during the hours of 8:30am to 4:30pm, Monday through Friday and on Saturday and Sunday from 8:30am to 12:00pm at NO CHARGE. Burn permits are also available at no charge from the Town of Gorham at www.burningpermit.com.

At other times you are able to obtain burning permits from <http://www.maineburnpermit.com> at a fee of \$7.00, 24 hours a day, 7 days a week.

What do I need to get my car registered?

For **FIRST** time registrations, the person or persons to whom the vehicle is being registered must come in and do the registration. Anyone can re-register a vehicle.

Proof of Insurance cards from your Insurance Company can be faxed to 839-5036.

If purchased from a Maine dealer:

- Blue Copy of Title Application
- Green Sales Tax Form
- Proof of Insurance
- Old Registration (if old plates are being used)
- Monroney Sticker (Window sticker – for brand new vehicles)

If purchased in a private sale:

- Bill of sale
- Previous owner(s) original title assigned to you on the back or the blue copy of your title application from a lending institution
- Lien Release (if needed)
- Proof of Insurance
- Sales Tax must be paid to Town Office

If previously registered out of State:

- Out of State Title or lien holder's address or lease agreement
- Out of State Registration
- Proof of Insurance with Maine liability

Paperwork for Vehicle Re-registration

Old Registration
Proof of Insurance
Current Mileage

Do you accept credit cards?

The Town of Gorham will now offer the convenience of accepting credit cards for payments. A non-refundable convenience fee will be applied to cardholders who wish to pay via credit card or debit card. The Town has accepted debit cards for payments in the past without a convenience fee; however, the fees charged to the town by the bank to process these transactions have steadily increased. A convenience fee will be required in order to allow the town the option to accept payments via credit card or debit card. The fee will be disclosed at the time of the transaction payment with the option for the cardholder to decline the fee and make the payment via check or cash. The fee will be 2.45% of the transaction amount (with a \$1.50 minimum) except for payments made with a Visa consumer check/debit card which will have a flat fee of \$3.95.

What do I need to obtain a passport?

You will need to complete a passport application, which is available in the Town Clerk's Office, or you may download one from the U. S. Department of State's website, www.travel.state.gov. Once the application form is completely filled out **but not signed** bring it in with a **CERTIFIED** copy of your birth certificate (a certified copy has the raised seal). You will need identification; this can be a valid driver's license. You will also need two identical 2x2 full-face photos; these can be taken here at the Town office for a \$10.00 fee.

You will also need two forms of payment: 1): A check or money order, payable to The U.S. Department of State and a payment to the Town of Gorham that can be by check, cash or credit/debit card. The payment for the U.S. Department of State is as follows: For the passport book, Adult \$75.00, child (15 and under) \$60.00 and for the passport card (land & sea crossings only to Canada & Mexico) Adult \$20.00, child (15 and under) \$10.00. **If you need your passport book in a hurry, you can have it expedited for an extra charge of \$60.00. This will insure that it is received within two weeks.**

For children under 14 years of age: The application requires signatures of both parents who need to show a parental relationship. This can be a birth certificate and other identification. If a parent has sole custody, they need to show either a written consent from the absent parent or legal evidence of sole custody. If one parent can not be present at the time of application they will need to provide a notarized statement giving their permission for their child to apply for a passport.

What types of services are available online? www.gorham-me.org

Many services that are available at the Municipal Center are also available online and some are listed below. Depending on your need, there are also many forms and applications on the website from the various Department pages.

Vehicle Re-registrations: There is a link to "Rapid Renewal" on the Town's homepage.

Online Dog Licenses: There is a link provided on the Town's homepage.

Hunting/Fishing Licenses and ATV/Snowmobile/Boat Registrations: There is a link provided on the Town's homepage.

When will my trash be picked up? What if there is a holiday?

There are several different trash pick up days, depending on where you live. You can look up your area by logging onto the Town website and going to the "Trash and Recycling Information" link from the Public Works Department page. You will also find alternate schedule information as well as other useful information on recycling.

Who do I contact if I come across a stray dog or cat?

You can reach the Animal Control Officer by calling Dispatch at 839-5581.

REPORT OF THE TOWN MANAGER

I am very pleased to provide the Annual Report for the fiscal year beginning July 1, 2008 through June 30, 2009 to the Town Council and citizens of Gorham.

The economic slump that began during the 2007-08 fiscal year, turned into a steep and precipitous decline in the fall of 2009 as the national housing market collapsed. The speed and depth of the downturn surprised most prominent economists and impacted the economy in Maine and Gorham. The decline in the number of permits for single family homes in Gorham reflects the national housing market. As recent as 2005, the Town issued 132 permits; in 2007 only 68 permits were issued, and in calendar year 2008, only 33 permits were issued.

Similar to any business, the health of the local economy influences the Town's ability to provide essential services. A poor economy restricts the growth of general revenues and leaves the Town Council with the unenviable choice of reducing services or increasing property taxes. Although the economy was uncooperative, the Town Council diligently went to work and produced a budget for 2008-09 that produced no tax increase and maintained most of the Town's services. Although the national, state, and local economy made 2008-09 very challenging, I am able to report important progress in many areas.

First, the long awaited By-Pass of Gorham Village was constructed and opened on December 5, 2008, with a ribbon cutting ceremony on the southern end of the road. Gorham resident and long-time advocate for the By-Pass and other transportation improvements, Bernard Rines, was given a ceremonial first ride on the new road. The State Legislature has since named this road the Bernard P. Rines Highway in recognition of his outstanding work and dedication to the Gorham community. Since the road opened in December, many citizens who live along South Street and along Route 25 have commented about the dramatic reduction in truck traffic and reduced vehicular traffic overall. While pleased with this progress, the Gorham Town Council signed an agreement with the Maine Turnpike Authority, Maine Department of Transportation, and partnered with the communities of Westbrook, South Portland, and Scarborough to study the options for efficiently moving traffic from South Gorham into surrounding communities. This important study finally started when a Steering Committee for the study held its first meeting on February 24, 2009. The Committee holds monthly meetings and steady progress has been made. It is anticipated that this study will be completed in 18-20 months and will identify available options for solving the traffic congestion.

In September 2008, voters approved a new elementary school to be constructed off Stevens Drive on Route 237. This project had been in the planning stages for many years before finally receiving approval for state funding. This project will cost approximately \$25.83 million, with the State paying 89.8%, local tax payers paying 9.6%, and 0.6% coming from a grant. Construction is expected to start on this project in October 2009, and the school is expected to be open for the start of school in the Fall of 2011.

The Town Clock, donated to the townspeople of Gorham by Toppan Robie in 1868, stopped working in 2005. The clock was subsequently removed from the steeple of the First Parish Congregational Church and sent to the Balzer Clockworks Company in Freeport for restoration. With the help of some generous donations from several members of the community, the historic Town clock was repaired and returned to a new location in the First Parish Church in November 2008. The Town entered into an agreement with the Church which, among other things, provides more opportunity for the public to view the historic clock. Dedication of the Town Clock was held at the Church in January.

In September, the Town Council approved an updated Master Plan for the Chick Property located behind the Public Safety Building and Narragansett School. The updated Master Plan looks to the future of Gorham and provides for the development of multi-purpose recreational facilities that can be developed as the community grows. In addition to updating the Master Plan, the Town obtained a site location permit from the Maine DEP in June 2009. This permit covers prior work as well as projects in the updated Master Plan.

During this past year, the Town finished rebuilding Osborne Road and Plummer Road, rebuilt the section of Queen Street located between Route 202 and Route 237, and the State finished its project to rebuild Brackett Road and a portion of Libby Avenue located between New Portland Road and Main Street. The Town Council also accepted four new roads and an extension of one road this past year, adding 1.17 miles of new roads to be maintained. The new roads include:

- Shamrock Drive
- Gerry's Way
- Jennifer Way
- Gorham Industrial Parkway
- A 660 foot extension of Boulder Drive

On July 18, the Town experienced a microburst that caused significant damage. The Public Works Department was diverted from many of their seasonal tasks to lead the cleanup effort, which lasted several weeks.

For several years the Gorham Food Pantry was in need of new space to store food and provide space to assist clients. During the past year, the Town Council donated a portable office building for new space, and the Town was able to obtain a Community Development Block Grant to provide funds to move the building to the parking lot of St. Anne's Church and make repairs. On February 7, 2009, the Food Pantry opened the building and began providing services.

The Town Council also approved significant updates to the Sign Ordinance, the Streets and Sidewalks Ordinance, Noise Ordinance, Victualer's License Ordinance, Message Establishment Ordinance, and the Town's Personnel Policy.

As June came along, and with it an end to the fiscal year, the Town Council authorized staff to submit an application for grant funds to construct a new fire station in West Gorham and renovate the Little Falls School into a fire station. If the grant is approved, this project would be done in cooperation with our neighboring communities of Buxton and Windham and would save the citizens of Gorham an enormous amount of future expenditures. While I am hopeful that our application will be successful, there is a lot of competition nation wide for the limited funds and as of the drafting of this report, the Town has not received any response to our application.

Every year, many of our residents volunteer to serve the Gorham community in one capacity or another. Our volunteers in the Recreation Department are coaches, work at the Baxter Memorial Library, and serve on various Boards or Committees. All of their contribution greatly enhances the quality of life in our community and help to make Gorham a special place to live. I would like to take this opportunity to thank all of our volunteers who generously donate their time.

Finally, I would like to express my sincere appreciation to all of the Town's employees for their continued service and commitment to the Gorham community.

Respectfully Submitted,

David Cole
Gorham Town Manager

ASSESSING DEPARTMENT

The Assessing Department assigns and updates tax values on existing and new taxable real and personal property and finalizes the tax rolls for commitment purposes. We establish and provide information including property tax value and map/lot numbers and addresses and create updated tax maps each year. We also administer tax exempt and tax reduction programs and answer a variety of questions as needed.

* The drop in the tax rate for fiscal year 2002 was the result of revaluation.

** The drop in the tax rate for fiscal year 2008 was the result of a Town wide value adjustment for all real property tax parcels.

BAXTER MEMORIAL LIBRARY

The Baxter Memorial Library is a cultural and educational institution which exists to serve as a community resource center meeting the needs of its citizens of all ages for information, enjoyment and life-long learning. Through its association in the MINERVA Library Consortium, the Baxter Memorial Library has access to books and resources from around the state, making it truly a library without walls.

Channel 3 – the government and education station is staffed by GOCAT and records and re-broadcasts municipal and school meetings as well as information provided by county and state departments. Staff maintains a “bulletin board” that provides official information pertinent to citizens regarding governmental affairs. The Town website for GGETV is updated weekly. Staff assists Town & School Department in requests for media support: set-up of equipment, designing presentations, informational productions, video edits, and media duplication. Station Manager maintains technical operations and repairs for the TV Studio and broadcast functions for both channels.

Channel 2 – the community side, provides training and equipment to residents wishing to create their own media presentations. GOCAT Studio houses the production suite and multiple computer workstations that provide a range of technology related software. GOCAT staff works with citizens, the Gorham Business & Civic Exchange, University of Southern Maine, non-profits, and civic organizations to produce local programming. A partnership between GOCAT and the Gorham Times allows Video on Demand programs to be posted on YouTube.com/gorhamtimes. Community productions feature guest lecturers, special events, local talk, school arts and sports, and informational shows.

Gorham Access is the steward of the community video archives and receives frequent requests for media duplication. Staff maintains the community “bulletin board” providing announcements of station programming, local events and services.

Staff:

- ¾ time -Access Television Manager/ Production & Technical Director
- ½ time -Media Specialist
- Auxiliary/On call –Videographers / Production Assistants
- Volunteers

PUBLIC WORKS DEPARTMENT

The Town of Gorham's Public Works Department is primarily responsible for the maintenance of over 141 miles of Town roads and 12.5 miles of State roads. This road maintenance work includes, but is not limited to, the maintenance of pavement (summer and winter), markings and striping, signage, bridges, culverts, ditches, traffic lights, trees, picking up dead animals and trash in the roadway, mowing of grass within the roadway, cleaning of catch basins, and street sweeping. In addition to roadway maintenance, Public Works also conducts capital road improvement projects, building, cemetery and facility maintenance, cemetery burials, mowing and trimming of Town grounds, and oversees the curbside collection "Pay-Per-Bag" and recycling program. Public Works, through the Public Works Director, assists with development plan review and construction and coordinates the Town's GIS Program. Public Works also assists every other Town Department and the School System in a variety of capacities when needed.

**PUBLIC WORKS DEPARTMENT
TRANSFER STATION
SOLID WASTE AND RECYCLING**

The Public Works Department maintains the two existing closed landfills, including the administration of the required water testing program.

The transfer station is open for grass clipping drop-off during normal business hours and is open by appointment noon to 1 p.m. Monday through Thursday for the disposal of motor oil. The transfer station is also open during two Saturdays in the spring and two Saturdays in the fall for brush disposal.

The Pay-Per-Bag curbside program began in July 1, 2002 and includes the collection of solid waste and recyclable materials. The current 5-year average tonnage of solid waste brought to EcoMaine from the Town of Gorham is 2,300.46 tons. 175,750 15-gallon trash bags and 108,625 33-gallon trash bags were sold in FY09.

RECREATION DEPARTMENT

Gorham Recreation Department provides people of all ages opportunities for activities and experiences that support healthy living and community involvement. We offer wide a variety of youth and adult sports programs, family outdoor recreation opportunities including hiking, biking, skiing, canoeing and a host of community special events including concerts, festivals, holiday celebrations and camp activities for grades K-8 on a year round basis.

TOWN OF GORHAM, MAINE
Reconciliation of the Statement of Revenues, Expenditures
and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the year ended June 30, 2009

Net change in fund balances - total governmental funds (from Statement 4)	\$ (2,049,268)
Amounts reported for governmental activities in the statement of activities (Statement 2) are different because:	
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capital outlays (\$11,741,166) exceeded depreciation expense (\$3,051,921) and loss on disposal (\$69,140) in the current period.	8,620,105
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.	175,800
Repayment of bond principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net assets. (Note 11)	2,664,650
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in long-term accrued compensated absences. (Note 11)	(56,377)
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in long-term capital leases. (Note 11)	278,025
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in other postemployment benefits liability.	(133,263)
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in accrued bond interest payable.	55,718
Change in net assets of governmental activities (see Statement 2)	\$ 9,555,390
